For graduation with an **Associate in Science (A.S.) Degree with a major in Library Technician:**

1. **Minimum Unit Requirements:** §Any course that appears on a curriculum guide and the General Education Pattern (Plan A) may fulfill both major and general education requirements (Approved by College Curriculum Committee Spring 2012). For this degree, complete a minimum of 60 units in courses numbered 1-599. Please note that additional elective units may be required to meet this minimum based upon courses selected to fulfill General Education for the Associate Degree.

   **Library Technician Major:** 18-19 units
   **General Education/A.S.§** 19 units

2. **Scholarship:** Maintain an **overall grade point average (GPA) of 2.0** (“C” average) based on all accredited college work applied to the degree, no matter where completed. For this **field of concentration**, **complete each course above with a grade of “C” or better,** or “P” if course is graded on a P/NP basis.

3. **Residence for the Degree:** Complete at least 12 semester units of the required 60 semester units in residence at Long Beach City College in order for the college to grant an Associate of Arts and/or an Associate of Science Degree.

4. **Residence for the Field of Concentration:** Complete at least 50% of the unit requirements for this field of concentration in residence; this means at least 9 units of the required 18 units must be **completed at Long Beach City College.** Credit earned by exam, where applicable, may be included.

5. **General Education and Proficiency Requirements:** Complete the required A.A./A.S. General Education and Proficiency requirements*, otherwise known as “Plan A”. For Plan A requirements, refer to the general catalog or view it online at [http://osca.lbcc.edu](http://osca.lbcc.edu).

6. Complete and submit the degree application form to the Admissions and Records office during your final semester of course work. These forms are available in the Admissions and Records office, or online at [http://admissions.lbcc.edu](http://admissions.lbcc.edu). Refer to the Schedule of Classes (http://schedule.lbcc.edu) and click the “Important Dates” link to view the actual deadline for each semester.

*The requirements for general education/proficiency and the field of concentration (major) need to be from the same catalog year. This catalog year may be any year between the year of initial enrollment to the present, provided continuous enrollment is maintained throughout. See the catalog for definition of “continuous enrollment”.

This Associate Degree will prepare students for career advancement once a certificate has been earned.

Program Mission and Outcomes

The purpose of Long Beach City College Library is to support the educational mission of the College by anticipating and fulfilling the information needs of the diverse student, faculty, administration, staff, and community populations. The goal of the Library program is to prepare all students for transfer, vocational, and to become lifelong learners to function effectively in a highly technological society with an information-based economy. Library systems are designed, and the staff is organized and committed, to achieving the following objective: to help users develop information competency, a broad-based literacy that includes the skill to identify, retrieve, evaluate, and apply information to a problem-solving context.

Outcomes:
- Students will identify and synthesize the theoretical knowledge and the practical skills for all major components of a working library.
- Develop the necessary skills to access, evaluate information from various sources, and demonstrate the skills required to work and perform at the level of a library technician. Examine and compare information from various sources to evaluate reliability, validity, timeliness and point of view or bias.
- Students will synthesize the theoretical knowledge and the practical skills for all major components of a working library.
