

2018.      ADMINISTRATIVE REGULATIONS ON BOARD SELF-EVALUATION

2018.1      The Superintendent-President, or designee, is responsible for administering these regulations.

2018.2      In an effort to improve Board efficiency and performance, the Board will evaluate itself annually according to the following guidelines:

- A.    In April of each year, the Board President, in consultation with the Superintendent-President, shall select a facilitator to assist the Board in the self-evaluation process. Working with the Board President, the facilitator will review the current evaluation form and make any revisions to the form deemed necessary at that time.
  
- B.    In May of each year, the Superintendent-President shall send to each Board Member a Board of Trustees' Self-Evaluation form covering the current fiscal year. The Superintendent-President, or designee, will compile the scores and comments into one summary response form.
  
- C.    The results of the Self-Evaluation will be included on the agenda for review and appropriate action at a Board Study Session in July. The results will be used to help the Board set goals.
