All information contained herein is subject to change without notice.

Since individual plans and circumstances vary,

students should consult with a counselor before beginning a program of study to ensure the appropriate General Education pattern is followed.

These requirements are designed for students planning to transfer to the California State University (CSU). Courses on this pattern are lower-division general education breadth requirements specific to the California State University System and used to obtain full or partial certification.

Students planning to transfer to the University of California should refer to the IGETC General Education Pattern (Plan C). Students planning to earn associate degree and NOT transfer should follow Plan A. Both Plans A and C are accessible at http://www.lbcc.edu/general-education-patterns. AREA REQUIREMENTS

Double-counting of courses listed in more than one area of this general education pattern is <u>NOT</u> allowed. For example, PHIL 3 is listed in areas C2 (Humanities) and D (Social Sciences), but it may be used to satisfy only one of these requirements.
