

LBCC TRAVEL DURING COMPETITION

In-State, regular season, and overnight travel

Travelers will be limited to essential personnel (e.g., student-athletes, coaches, medical staff, administrators). When traveling to away games, teams must remain in a team cohort—no mixing with other team cohorts while traveling. Travel parties will be split according to those already with the closest contact (e.g., cohorts). Face coverings must be worn and removed only minimally for drinking. No eating will occur on buses or in vans. A carrier with robust infection control methods (e.g., required face coverings) will be utilized when air travel is necessary, per CDC guidelines.

Daily Health Screening

Student-athletes will submit [Viking Health Screening](#) before arrival on campus and daily while traveling. Only individuals who pass the screening process will be allowed to travel. If symptoms develop while traveling, the traveler will be immediately isolated/quarantined, and the Director/Head Coach will notify the travelers' emergency contact for pick up. If Director/Head Coach cannot reach the emergency contact, the traveler will remain isolated/quarantined from the team until pick up can be arranged. In the case of an emergency, 911 will be contacted by the supervising Director/Head Coach.

Vans

The college supplies eight vans in total. Vans are assigned to a single team for back-to-back travel. The Athletic Specialist will schedule vans through Facilities. Only drivers approved by the college will be assigned to drive district vehicles. Coaches will schedule a date and time for the pickup of van keys with Facilities. Facilities will provide disinfectant wipes in each van. The driver will disinfect vans before departure and before the return to Facilities. The driver will remove trash before campus return. Drivers will refuel vans before campus return.

Sport	Vans or Bus Assigned
Cross Country	Vans 1,2,3
Football	2 buses, Vans 4,5, 1stake bed truck (Saturdays only)
Soccer-M	Vans 6,7,8 opposite Soccer-W
Soccer-W	Vans 6,7,8 opposite Soccer-M
Volleyball-W	1 Bus
Water Polo-M	1,2 opposite Cross Country
Water Polo-W	3,4 opposite Cross Country
Basketball-M	7,8 opposite Basketball-W
Basketball-W	7,8 opposite Basketball-M

Lodging

Travel parties will be split according to those already with the closest contact (e.g., van/bus transportation, cohorts). A rooming list will be provided to the Athletic Director for approval before travel. Mixing with the other cohorts while in the lodging rooms is prohibited. Overnight travel that requires lodging will be minimal during the regular season and will likely only occur for postseason competition. The following sports are anticipated to require postseason competition overnight travel.

21 FAL Postseason Competition			
Sport	Event	Site	Date
Cross Country	State Championship	Woodward Park, Fresno	11/20/21

Food and Dining

All travelers will utilize their own water container during practice, conditioning and training. Drink bottles should be labeled with the name of the owner. Travelers may be provided sanitized water coolers or shared drinking stations by Athletic Trainers or Equipment Technicians during the competition. Sports programs may also offer bottled water. When food is provided, pre-packaged boxes or bags are required instead of a buffet or family-style meal. When eating, travelers must dine in their identified cohorts—mixing with the other team cohorts while dining is prohibited.

Travelers will follow the California Department of Public Health and Cal/OSHA safety guidelines set out for dine-in restaurants and travel outside of Long Beach.
