POLICY ON HEALTH STANDARDS

Reference: Education Code Section 87408, 87408.6, 88021

Recognizing that the welfare of students and employees at Long Beach City College is a matter of primary concern, it shall be the policy of the Long Beach Community College District to ensure that each employee is free from communicable diseases or physical conditions that would render the employee unfit to associate with students or carry out their job responsibilities.

Adopted: November 24, 1981

Revised: October 22, 1991
