It is the policy of the Long Beach Community College District that, unless specifically exempted by statute, every course, course section, or class, the average daily attendance of which is to be reported for state aid, shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets course prerequisites.

The Curriculum Committee has the authority to recommend prerequisites, corequisites and advisories on recommended preparation for courses in the curriculum. All such prerequisites, corequisites, and advisories shall be established in accordance with standards set out in Title 5. Any prerequisites, corequisites or advisories shall be necessary and appropriate for achieving the purpose for which they are established. The procedures shall include a way in which a prerequisite or corequisite may be challenged by a student on grounds permitted by law.
