POLICY AUTHORIZING ORGANIZATION OF  
ASSOCIATED STUDENT BODY

Reference: California Education Code Sections 76060 et seq.

It is the policy of the Long Beach Community College District to authorize the establishment of the Associated Student Body. This self-governing body shall provide for the government of student activities and for student experiences in leadership, human interaction, and problem solving through its representatives and the group process. The Superintendent-President shall have authority to implement and supervise this policy and any actions taken by the Associated Student Body Cabinet.

Adopted: August 16, 1978
