It is the policy of the Long Beach Community College District to establish rules of student conduct that are in the best interests of both the student and the college. The Superintendent-President shall establish procedures for the imposition of discipline on students in accordance with the requirements for due process of federal and state laws and regulations.

The procedures shall clearly define the conduct that is subject to discipline, and shall identify potential disciplinary actions, including but not limited to the removal, suspension or expulsion of a student.

The Board shall consider any recommendation from the Superintendent-President for expulsion. The Board shall consider an expulsion recommendation in closed session unless the student requests that the matter be considered in a public meeting. Final action by the Board on the expulsion shall be taken at a public meeting.

The procedures shall be made widely available to students through the college catalog and other means.
