Mr. Eloy Oakley  
Superintendent/President  
Long Beach City College  
4901 East Carson Street  
Long Beach, CA 90808

Dear President Oakley:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting June 8-10, 2016, reviewed the Follow-Up Report submitted by Long Beach City College and evidentiary materials also submitted. College leadership, including the president of the governing board, and the College president, certified the Report. The purpose of the Commission's review was to determine whether the College resolved deficiencies noted during the fall 2014 comprehensive review and meets Eligibility Requirements, Accreditation Standards, and Commission policies.

After considering the written material noted above, the Commission finds that Long Beach City College has resolved the deficiencies and meets Standards II.A.2.f, III.A, III.B, III.C, IV.A.1-5, IV.B.2.b and IV.B.3.g from Recommendations 1 and 2 from the fall 2014 comprehensive review.

The Commission requires that you give the Follow-Up Report and this letter appropriate dissemination to your College staff and to those who were signatories of the Report. You should also make these documents available to all campus constituencies and the public by placing a copy on the college website.

Please note that in response to public interest in accreditation, the Commission requires institutions to post accreditation information on a page no more than one click from the institution's home page.

The Commission encourages the College's continued work to ensure educational quality and to support student success. Accreditation and peer review are most effective when the College and the ACCJC work together to focus on student outcomes and continuous quality improvement in higher education. Thank you for sharing the values and the work of accreditation.
