The District has issued two bonds under Proposition 39: Measure E - 2002 and Measure E – 2008.

**Measure E - 2002**

On December 4, 2001, the Board of Trustees of the Long Beach Community College District (District) called for a general obligation bond election. The ballot language for the Measure E Bond funds reads, “In order to renovate, repair, and replace aging educational facilities, including replacement of electrical, plumbing and sewer systems, add classrooms, acquire equipment, construct job training facilities and high tech computer labs, upgrade restrooms, renovate heating and ventilation system, install fire safety equipment, replace outdated classrooms and libraries and establish a Citizens Oversight Committee, shall the Long Beach Community College District issue $176 million in bonds, at interest rates within the legal limit?” On March 5, 2002, the District's resident voters passed the general obligation bond, Measure E.

The District has successfully spent all the Measure E – 2002 proceeds; therefore, this report will conclude the updates and overview of the Measure E – 2002.

**Measure E - 2008**

On February 5, 2008, voters residing in the District were asked: “to qualify for State matching funds that will better prepare Long Beach college students for high demand jobs, shall Long Beach Community College District renovate science, nursing, police, and firefighting classrooms, upgrade classroom technology and high-tech training labs; repair aging roofs, electrical, plumbing, heating, and ventilation; and upgrade/construct/equip/acquire classrooms, facilities, sites; by issuing $440 million in bonds, at legal rates, with citizens oversight, mandatory audits, and all funds staying local to improve Long Beach College facilities?”

The voters overwhelmingly approved the measure with a 73.22% pass rate.
It is the charge of the Citizens Oversight Committee (COC) to monitor the expenditures of the Measure E 2002 and 2008 Bond funds and report to the public on the District’s compliance with Proposition 39. It is the committee’s role to: 1) review quarterly expenditure reports produced by the District to ensure that (a) bond proceeds are expended only for the purposes set forth in the ballot measure and no bond proceeds are used for any teacher or administrative salaries or other operating expenses; 2) present to the Board, in a public session, an annual written report; 3) receive and review copies of the District’s annual independent performance audit and annual independent financial audit; 4) inspect school site facilities and grounds for which bond proceeds have been or will be expended; 5) review copies of capital outlay plans developed by the District; 6) review the Districts efforts to maximize use of Bond proceeds in ways designed to: a) reduce costs of professional fees or site acquisition; b) incorporate efficiencies in school site design; c) encourage joint use of core facilities; or d) involve cost-effective and efficient reusable facility plans.

The Citizens Oversight Committee met on the following dates:

January 31, 2011
April 18, 2011
August 8, 2011

At each meeting we reviewed the quarterly expenditure reports and noted that all expenditures were for projects that appeared on the ballots as approved by the voters.

In October 2011, the committee received by mail the quarterly expenditure report and noted that all expenditures were for projects that appeared on the ballots as approved by the voters.

Receive and Review the Annual Independent Performance Audit

Moss Adams presented its performance audit findings for Fiscal Year Ended June 30, 2010 to the COC at its meeting of January 31, 2011. The Performance Audit for Fiscal Year Ended June 30, 2010 was received by the COC unanimously.

The performance audit firm of Moss Adams conducted the Performance Audit for Fiscal Year Ended June 30, 2011. The performance audit team evaluated the Long Beach Community College District’s (District) Measure E Bond Program expenditures against 2002 Measure E, 2008 Measure E and Proposition 39 requirements. The audit team tested expenditures during the period July 1, 2010 through June 30, 2011 for compliance with Bond Program objectives.

Receive and Review the Annual Independent Financial Audit as it Relates to the Bond Funds

Vicenti, Lloyd, & Stutzman, LLP presented its financial audit findings for Fiscal Year Ended June 30, 2010 to the COC at its January 31, 2011 meeting. The Financial Audit for Proposition 39, General Obligation Bonds and Measure E Bond for the Year Ended June 30, 2010 was received by the COC unanimously.

The financial audit firm of Vicenti, Lloyd, & Stutzman, LLP conducted the Financial Audits for Proposition 39, General Obligation Bonds for both the 2002 Measure E Bond and 2008 Measure E Bond for the Year Ended June 30, 2011. The financial audit team conducted its audits in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in Governmental Auditing Standards.

In regard to the audits of both the 2002 Measure E Bond and the 2008 Measure E Bond for the Year Ended June 30, 2011, it is the opinion of the financial audit team that the financial statements present fairly, in all material respects, the financial position and results of operations for the Bond Construction Fund of the Long Beach Community College District as of June 30, 2011 in conformity with generally accepted auditing standards. There were no findings or questioned costs related to Bond Construction Fund financial statements, and the District received an unqualified audit opinion. The audit will be presented to the COC on January 23, 2012.
