## DR. SHAUN HARPER

HONORARY DEGREE RECIPIENT

Shaun Harper, Ph.D., is the Clifford and Betty Allen Chair in Urban Leadership at the University of Southern California, where he also serves on the faculty of the Rossier School of Education, Marshall School of Business, and Price School of Public Policy. He is the founder and CEO of the USC Race and Equity Center, and has published 13 books and over 100 academic works. A leading

expert in diversity, equity, and inclusion (DEI), Dr. Harper is known for his engaging, practical speaking style and has delivered hundreds of keynotes worldwide. He has testified before Congress, served in federal and state leadership roles, and received numerous honors, including four honorary degrees.

## LOLITA MOJICA

VALEDICTORIAN

Lolita Mojica embodies resilience, transformation, and purpose. After facing tragedy at a young age, she found strength in words and dreamed of becoming a journalist. On her own by 18 and managing a bar by 21, she leaned into creativity and independence. The pandemic led her to Long Beach City College, where she thrived on the campus newspaper—earning statewide

recognition—and held roles at KCRW and the campus art gallery. Despite battling anxiety, she maintained a 4.0 GPA, mentored peers, and built community. Now heading to Cal State Fullerton as a journalism major, Lolita continues to inspire others to rise.

She served as ASB President, President's Ambassador, and VP of Phi Theta Kappa and the Social Work Club. A student leader and mentor, she's also the self-published author of *My Mother's Words* and a John Fylpaa Leadership Institute alumna. Shamonique will transfer to Coppin State University on a full-ride scholarship.

## G GONZALEZ

STUDENT TRUSTEE

Hello, my name is G Gonzalez, and I am the 2024–2025 Student Trustee. Born and raised in Long Beach, I'm majoring in criminology and hope to become a lawyer. I graduated high school in 2023 and was elected ASB LAC Vice President during my first year at LBCC. I credit my parents for my success—without their sacrifices, I wouldn't be where I am today. As trustee, my goal has been to be a strong voice for students and represent them to the best of my ability. No one can do it alone.

# Procession

In the procession of students, black caps, gowns, and red-and-white tassels signify those receiving Associate of Arts or Associate of Science degrees. They also wear hoods of red, white, and black to represent LBCC colors. Black caps, gowns, and red tassels signify those receiving Certificates of Achievement in occupational/technical areas that provide job training.

Students who have completed the Honors Program and earned a 3.250 cumulative grade point average or higher can be recognized by their gold and white cords.

Students who have earned a 3.500–3.749 cumulative grade point average can be recognized by the gold tassels on their mortarboards.

Students who have earned a 3.750–4.000 cumulative grade point average can be recognized by the gold tassels on their mortarboards and the gold braid on their honor hoods.

For faculty, administration, and staff, various styles of gowns, hoods, caps, and tassels signify academic achievement. A Bachelor's Degree is typically represented by a simple gown with pointed sleeves and a black mortarboard with a black tassel. A Master's Degree is indicated by a gown with oblong, slit sleeves and may include a black tassel. A Doctorate is marked by a more elaborate gown with velvet panels and three velvet bars on the sleeves, often worn with a soft velvet tam and gold tassel. The inside lining of the hood represents the degree-granting college or university, while the velvet trim reflects the field of study. Regalia may vary for those with degrees from foreign universities.
