Commencement Program

To the Amazing & Unique Class of 2020,

Since 1929, Long Beach City College has annually celebrated its graduating class with a Commencement Ceremony. Through a major earthquake, through war time and despite the occasional political unrest, students would still don their robes and caps, ready to be acknowledged by attending faculty, friends and family.

For many years, this ceremony took place in the morning hours on the Liberal Arts Campus Quad before moving to the College's Veterans Memorial Stadium in the late afternoon. This allowed for more attendance in the stands, easier parking and a larger field to cheer on the students receiving their Associates Degree or Certificate of Achievement.

In late Fall of 2019, the LBCC Commencement Committee began meeting to plan the traditional ceremony for this year's class. And then along came 2020, and the "Novel Coronavirus."

Everything changed.

Things evolved rapidly as our Country and our College essentially needed to close down for any large gatherings and personal contact. Classes were transitioned to online learning and our faculty and staff worked from home as of mid-March.

The Class of 2020 therefore needed to overcome, adapt and improvise in ways no other group of prospective graduates ever have. The Long Beach City College family wanted to make sure that they were recognized and celebrated just as much, if not more, than any preceding classes. But how could we do this without gathering together and possibly risking our health and those of our loved ones?

The College held many a virtual celebration on zoom for various campus groups, including a drive-thru giveaway of graduation memorabilia. On June 12, 2020 we held the inaugural virtual Commencement Ceremony for the Class of 2020 that was viewed by thousands on YouTube.

This is something I hope each of you will be able to look back and watch again, in future years when you reflect on what it means to be a Long Beach City College Viking.

The fact that you were able to face challenges in adversity, shows so much promise for your future. This experience, I have no doubt, has made you into a stronger student, a better communicator and a more determined individual.

On behalf of the Board of Trustees, the Administration, Staff and Faculty of the Long Beach Community College District, I am honored to congratulate you on this stellar accomplishment during an unprecedented time in our history.

Go Vikings,

Lou Anne Bynum
Interim Superintendent-President

Abimbola Idowu Mitchell
Valedictorian
