

A Message from the **Superintendent President**

This year, we expanded
our most prestigious

giving program to recognize any
contribution that supports the students
and programs at Long Beach City College.

It is our hope that, in doing so, we can more
appropriately recognize the generosity
that you, our donors, provide to LBCC. By
supporting our students, you are helping
both the Foundation and the College work
toward the mission of providing an excellent
education for Long Beach residents and
those of surrounding communities.

As we look towards the College's 100-year
anniversary, we call on you to continue
supporting our students, staff, and faculty
as we work together in Funding Our Future.

Lou Anne Bynum
Interim Superintendent-President
