

**A Message
from the
Superintendent
President**

This year, we have expanded our most prestigious giving program to allow our industry partners to have an even greater impact on the students and programs at Long Beach City College.

It is our hope that, in doing so, we can further strengthen our ties with you, our industry partners. By supporting this program, you are helping both the Foundation and the College work toward the mission of providing an excellent education for Long Beach residents and those of surrounding communities.

As we look towards the College's 100-year anniversary, we call on you to continue supporting our students, staff, and faculty as we work together in Funding Our Future.

Lou Anne Bynum
Interim Superintendent-President
