

Long Beach City College

MATH 815, 110 & 130

Final Exam Review

Location: EE 206(PCC Campus)

Go to: archive.lbcc.edu/math/finals.cfm to print out the practice final for your class. Bring the practice final to the review session. During the final exam review, a tutor will work through each problem on the practice final.

Each session is approximately 2 hours.

Photo ID is required. Call for more information: 562-938-3264
