HOW TO: View your Education Plan on Degree Planner

DIRECTION: An Education Plan (also known as Degree Planner) outlines the courses you should take in order to reach your educational goal. If you created an Educational Plan with a counselor, you may view it online in your Viking Student System. If needed, meet with a counselor to update/change your Ed Plan.

1. Go to www.lbcc.edu click on "Quicklinks," & select "Viking Student Login"

3. Click on "Registration & Schedule"

5. Read the overview & click "Continue."

Degree Planner is intended to serve as a guide towards the completion of your stated educational goal which may be dependent on course availability and other factors. Please note that changes to your educational goal and/or transfer credit should be reviewed by a counselor.
