HUMAN SERVICES
- Associate Arts Degree
- Certificate of Achievement

These courses prepare students for entry level positions in human services and addiction recovery agencies, and help with career advancement for returning students already working in the field.

ADDICTION STUDIES
- Associate Arts Degree
- Certificate of Achievement

The Addiction Studies Program at LBCC is a part of the Social Sciences Department, and is accredited by the California Association for Alcohol/Drug Educators (CAADE). Students can obtain a Certificate of Achievement, and an Associate Degree which will fulfill the academic and work experience requirements for CAADE, and meets the qualifications for other certifying organizations, as well. Holding the LBCC’s Addiction Studies certification and Associate Degree will add to the employability of the individuals, as the addiction treatment and recovery field is looking for educated and skilled counselors. The students will be prepared to take the state certification examination upon completing this program.
