## **Future Budget Challenges**

#### Enrollment:

- 2019-20 resident FTES target is 19,204
- Near-term goal is to reach 20,000 FTES.
- However, declining enrollment is a challenge throughout the state.
- The new funding formula includes other metrics, but FTES remain the single largest factor to our funding.

#### State Pension Obligations:

- Governor's proposed STRS contributions help;
- However, STRS and PERS obligations will continue to increase rapidly in the upcoming years.

## **Future Budget Challenges**

(continued)

#### Deficit Spending:

- The 2019-20 Tentative Budget includes \$2.9 million in deficit spending.
- \$1.0 million of that is due to one-time projects.
- We will continue deficit reduction measures to ensure that structural deficits do not become unmanageable on a long-term basis.

#### Success Metrics:

- Improvements have been made.
- We will continue to work together to implement processes to help us improve results for our students including degree and certificate attainment and transfers.
