LONG BEACH
CITY COLLEGE

Greetings!

We would like to invite you to become a member of the Long Beach City College (LBCC) Center for Community & Industry Partnerships. This initiative is a groundbreaking effort that links employers to students trained to fill needs in high-demand jobs.

What are some of the key benefits of becoming a member of the LBCC Center for Community & Industry Partnerships?

- Members of the LBCC Center for Community & Industry Partnerships gain access to a great network of business, agency and industry partners. Members will also receive [mass regional and national media exposure](#) for their part in stimulating the local economy, and taking part in investing in the future of the greater Long Beach community.
- Internships within the LBCC Center for Community & Industry Partnerships provide employers the opportunity to groom the workforce that best meets their business demands and students the opportunity to explore career options in a meaningful way and gain valuable real-world experience. As a member in this initiative, you serve as a mentor for the next generation.
- Long Beach City College (LBCC) offers an incredibly diverse student population, with students from a number of cultures and backgrounds: <https://www.lbcc.edu/sites/main/files/file-attachments/college-facts.pdf>
- LBCC offers majors that provide students with the practical training to make an immediate impact including Logistics, Cybersecurity, Engineering, Advanced Manufacturing, Transportation Technology and many more.
- As a member of the LBCC Center for Community & Industry Partnerships, you are part of a network that will receive regular communication from LBCC keeping you abreast of College and industry partnership activities and various ways to engage with the campus that supports business and workforce demands.

Now is an excellent time to participate in this groundbreaking initiative. Members of the LBCC Center for Community & Industry Partnerships will pioneer providing access to career opportunities, internships, and scholarships for the next generation of innovators.

Attached please find an interest form to indicate your commitment. We are looking forward to the opportunity to work with you. YES! I'M INTERESTED IN BEING A MEMBER...

I am interested in learning more about how I can partner to further the education of Long Beach City College students and support the Long Beach City College Center for Community & Industry Partnerships. Please contact me with further information regarding:

Career Opportunities

This involves supporting the employment of LBCC students, including advertising job openings, job fairs, or a number of different options.

Internships

Internships provide students hands-on experience which further their knowledge and help them prepare for a career.

Scholarships

Scholarships provide support for students enrolled in LBCC by defraying the cost of education for these outstanding students.

Advisory Committees

Advisory committees are used across Long Beach Community College District as a way to connect our educational programs to the experts in the local community. These experts provide insight and guidance for many curricular initiatives at the college.

Career Exposure

Community partners can provide invaluable education and career exposure to the students by participating in or offering: Guest Lecturers, Work Site Field Trips, Informational Interviews, Job Shadowing, Career Fair, Mentoring, etc.

I want to be a member of the LBCC Center for Community & Industry Partnerships.

As a member I recognize that either party may terminate involvement in these programs at will, at any time, and for convenience. By being a member or having my organization participate as a member I recognize and agree that additional paperwork may be required for participation in specific programs in order to protect the rights of our students and our organizations.

Furthermore, I recognize and agree that my organization will comply with all applicable laws, rules, and regulations, including but not limited to the requirement that all persons required shall have completed the state mandated sexual harassment/unlawful discrimination training once every two years as required by California law (AB1825).

Furthermore, I recognize that my organization does not discriminate based on race, creed, national origin, religion, sex, marital status, age, handicap and/or medical condition.

Please provide me additional information on how I can help support student success at Long Beach City College.
