# Accessing Adobe Cloud

## FOR LONG BEACH CITY COLLEGE **FACULTY & STAFF**

**LONG BEACH CITY COLLEGE**

# Accessing Adobe Cloud

Adobe has provided temporary at-home access for impacted students and faculty, so that they can continue their work remotely.
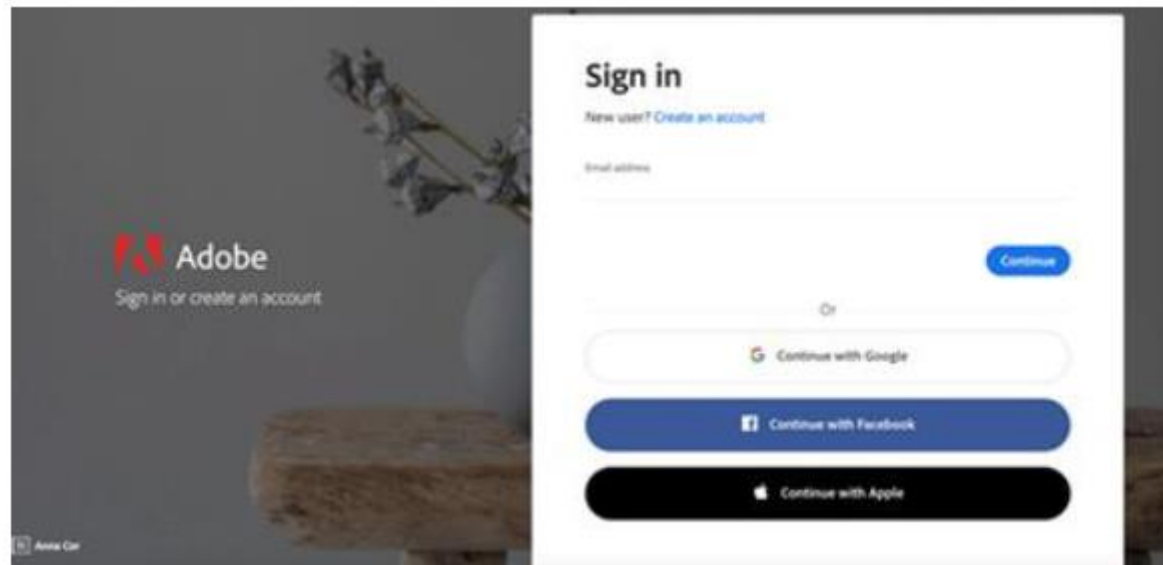

From this tutorial, you will learn:

1. How to enable access to Creative Cloud Desktop Apps on your personal device.
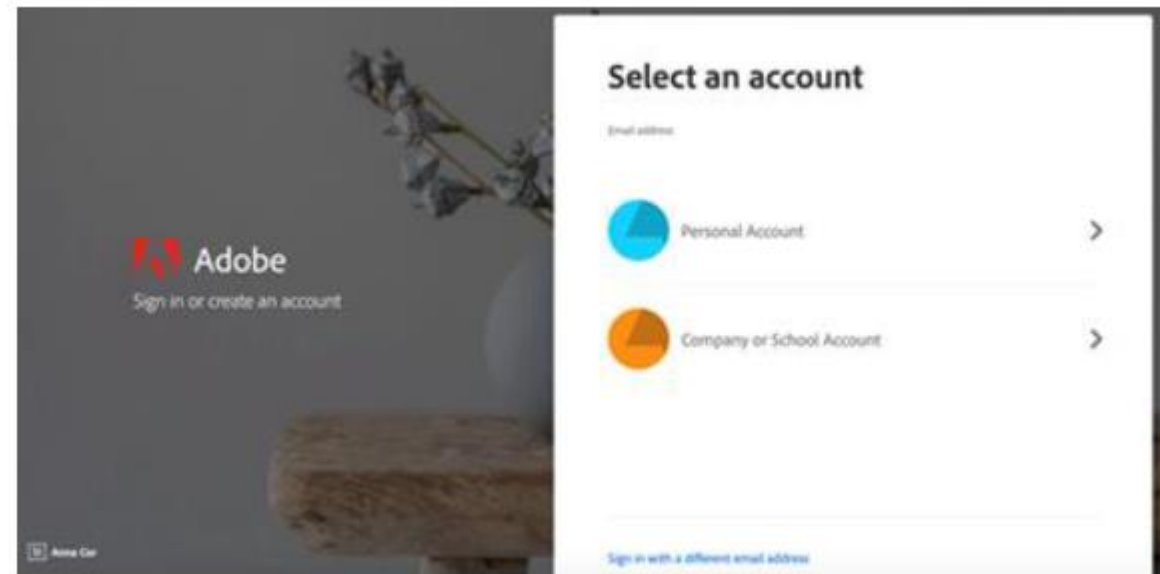

## *Important*

As a result of campus closure, student access to Adobe Creative Cloud in labs and classrooms is not available.
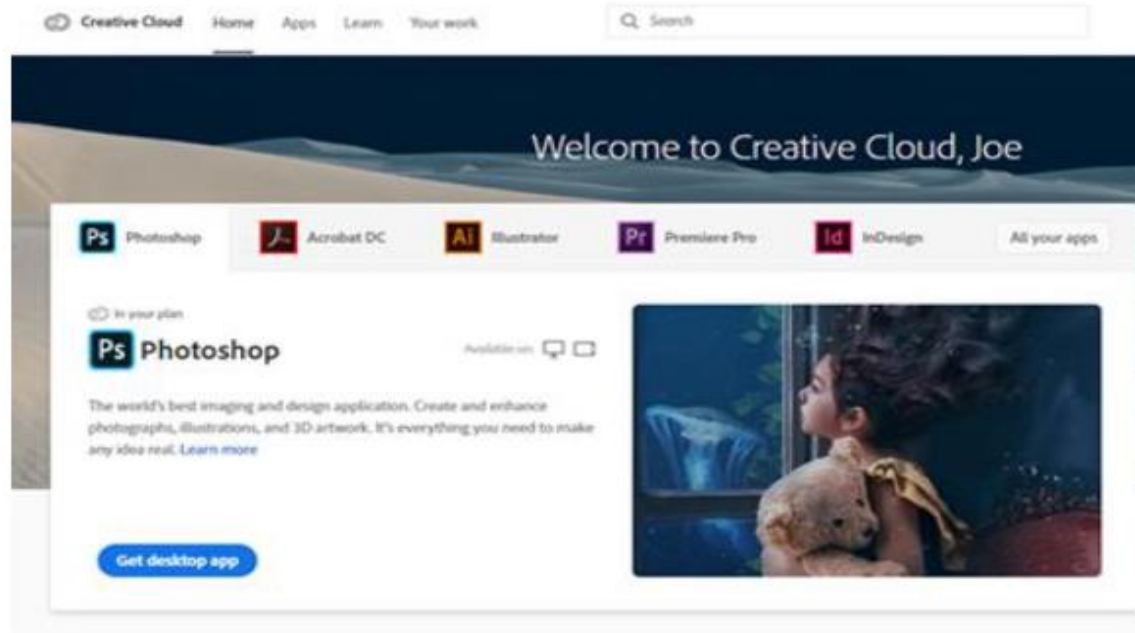

# STEP 1: Go to website and login.

Visit https://creativecloud.adobe.com and use your school credentials to sign in.

# STEP 2: Select school and enter password or login for school.

If prompted, select Company or School Account and then enter your password. Or provide your credentials in your school's login screen.

# STEP 3: Browse Cloud website for app.

From the Creative Cloud website, browse for and download your desired app. Click **Apps** on the top of the page to view all apps.

# Training

For Higher Education students to continue developing skills, Adobe offers free "Daily Creative Challenges". These are guided projects where participants receive creative prompts and connect with pros, mentors, and other students for feedback and support.

Click on the app name to learn more:

✓Photoshop
✓XD
✓Illustrator

Also, for inspiration and over-the-shoulder learning, watch pros share their creative process on Adobe Live daily at www.behance.net/adobelive.

# <u>Engage</u>

For faculty seeking to engage students during campus closures, Adobe has curated resources to help them discover inspiring projects, best practices, and new ideas so they can continue to drive valuable learning in virtual environments.
