ARTICLE 1

RECOGNITION

- 1.1** The Board of Trustees of the Long Beach Community College District recognizes the LBCCFA as the sole and exclusive bargaining agent for faculty members occupying the bargaining unit described by the Public Employment Relations Board (PERB) at the time of the unit determination election held in May 1978. Specifically, the unit shall include full-time tenured and probationary faculty, including: instructors, counselors, librarians, department heads, instructional specialists, and full-time faculty on special assignments such as program specialists, faculty directors, and faculty coordinators.
- 1.2** Furthermore, the unit shall exclude all administrators and classified employees. In addition, the unit shall exclude all part-time and temporary academic employees, Child Care Center Director and volunteers.

- 1.4** Should any new positions be established during the term of this Agreement, the placement of those positions in or out of the bargaining unit shall be negotiated with the Association. Should the issue not be resolved within thirty (30) days of the establishment of a new position, the issue shall be submitted to PERB for a ruling.
- 1.5** If any job classification within the Unit, as described in Section 1.1 of this Article, is changed during the life of this Agreement, all affected faculty members shall remain in the Unit for the duration of the Agreement.

ARTICLE 2

ASSOCIATION RIGHTS

LBCCFA shall have the following rights, in addition to any rights set forth elsewhere in the Agreement.

2.1 Access and Meetings

Authorized representatives of LBCCFA shall be granted reasonable access to District properties in order to meet with faculty members, but such contacts are not to interfere with or interrupt performance of scheduled duties. Employee lounges and dining areas during peak hours of use shall not be deemed appropriate locations for meetings held either by LBCCFA or by the District.

2.2 Distribution and Posting

LBCCFA representatives may distribute organizational literature on District property, or leave the same for faculty members to pick up in the faculty members' mailboxes or at designated locations, provided there is no interference with, distraction from, or interruption of scheduled duties or District business. LBCCFA also shall be permitted to post organizational materials on District bulletin boards, subject to space and time limitations as necessary to deal with excessive volume of material to be posted. LBCCFA is responsible for maintaining neatness and order with respect to such distributions and postings, and for removal of excess or outdated material. 4.3 Informal Level of Grievance

- 4.3.1 Within twenty (20) days after the bargaining unit member, members, or LBCCFA knew of the alleged violation, misapplication, or misinterpretation of the specific provisions of this Agreement, the grievant shall schedule a meeting to attempt to resolve the grievance by an informal conference with the respondent. At the time of the scheduling of the meeting, the grievant shall notify the respondent that the meeting will deal with a possible grievance, the nature of the grievance, and that this is the informal level of the grievance policy. A mutually convenient meeting time shall be scheduled within five (5) days of receiving the request to meet. If the grievant desires, they may have a representative present to assist them in the meeting. LBCCFA shall be notified and have the right to consult with the grievant and to be present at the meeting. Both parties will make an earnest effort to settle complaints in this manner.

4.4 Formal Level of Grievance

- 4.4.1 Level I: Within ten (10) days of the informal conference, should the grievance not be resolved, the grievant must present their grievance in writing on the grievance form, attached in Appendix F1, to the respondent. Once the grievance is received, signed copies shall be given to Human Resources, the grievant, the respondent, and LBCCFA.

- 4.4.1.1 The statement of the Level I grievance shall be a clear, concise statement of the circumstances giving rise to the grievance, citation of the specific article, section, and paragraph of the Agreement that is alleged to have been violated, the decision rendered at the informal conference, and the specific remedy sought. - 4.4.2 Level II: If the grievant is not satisfied with the decision at Level I, they may, within ten (10) days of the receipt of the decision from Level I, appeal the decision to Level II on the grievance form, attached Appendix F2, to the appropriate vice president. The statement of the Level II grievance shall include a copy of the original grievance and appeal, the decisions rendered, and a clear, concise statement of the reasons for the appeal. A copy of the appeal and supporting documents shall be sent to Human Resources, the grievant, the appropriate vice president, and LBCCFA.

- 4.4.2.1 Within five (5) days of receiving the Level II appeal, the appropriate vice president shall arrange a mutually convenient time to meet with the grievant to discuss the matter and attempt to resolve the grievance. If the grievant desires, they may have a representative present to assist them in the meeting. LBCCFA shall be notified and have the right to consult with the grievant and to be present at the meeting.

- 4.4.2.2 Within ten (10) days of the Level II meeting, the appropriate vice president shall communicate a written response to the grievant and LBCCFA. Such response will terminate Level II.

- 4.4.3 Level III (MEDIATION): If the grievant is not satisfied with the decision at Level II, they may within ten (10) days of the receipt of the decision from Level II, request that LBCCFA submit the grievance to mediation. Should LBCCFA decide to submit the grievance to mediation, within ten (10) days of receiving the request from the grievant that the grievance be submitted to mediation, LBCCFA shall file the appeal for mediation to the Vice President, Human Resources. The appeal to mediation shall be filed on the grievance form, attached as Appendix F3, to mediation and must include a copy of the original grievance and appeals, the decisions rendered, and a clear, concise statement of the reasons for the appeal for mediation. A signed copy of the appeal shall be sent to Human Resources, the Superintendent-President, and the grievant.
- 4.4.3.1 Within ten (10) days after receipt of the written appeal for mediation, the parties shall request the immediate services of a mediator. The mediator selected shall be jointly agreed to by LBCCFA and the District. The parties may utilize the California State Mediation and Conciliation Service for mediation or another mediator of their choosing. The fees and expenses of the mediator shall be shared equally by the District and LBCCFA.
- a) The function of the mediator shall be to assist the parties to achieve a mutually satisfactory resolution of the grievance by means of the mediation process.
 - b) If a satisfactory resolution of the grievance is achieved by means of this mediation process, both parties to the grievance shall sign a written statement of the resolution to that effect, and thus waive the right of either party to further appeal of the grievance.
- 4.4.3.2 The mediator shall not have the authority to impose a settlement upon the parties.
- 4.4.4 Level IV (BINDING ARBITRATION): If the grievant is not satisfied with the outcome at Level III, the grievant may, within ten (10) days of the outcome of the mediation, submit a request in writing to LBCCFA for arbitration of the dispute (Appendix F4 attached). Should LBCCFA decide to submit the grievance to arbitration, within ten (10) days of receiving the request from the grievant that the grievance be submitted to arbitration, LBCCFA shall file the appeal for arbitration to the Vice President, Human Resources. Within five (5) days of receipt of the appeal, the District and LBCCFA shall request that the California State Mediation and Conciliation Service supply a list of five (5) names of persons experienced in handling grievances in community colleges. Each party shall alternately strike a name until only one name remains. The order of the striking shall be determined by lot. The remaining person on the list shall be the arbitrator.
- 4.4.4.1 The arbitrator shall, as soon as possible, hear evidence and render a decision on the issue submitted. If either party so requests, the arbitrator shall specifically rule upon the arbitrability of issues. If the parties cannot agree upon a submission agreement, the arbitrator shall determine the issue to be arbitrated by referring to the written grievance.
- 4.4.4.2 The District and LBCCFA agree that the jurisdiction and authority of the arbitrator and the decision rendered by the arbitrator will be confined exclusively to the interpretation of the express provision or provisions of this Agreement that are at issue. The arbitrator shall have no authority to add to, subtract from, alter, amend, or modify any provisions of this Agreement or impose any limitations or obligations not specifically provided for under the terms of this Agreement.
- 4.4.4.3 A hearing shall take place at which both parties shall have an opportunity to

present their case orally, and separately, to the arbitrator. Written arguments may also be submitted. The arbitrator shall submit in writing to both parties their findings and decision, which shall be binding on the parties.

- 4.4.4.4 The fees and expenses of the arbitrator shall be shared equally by the District and LBCCFA. All other expenses shall be borne by the party incurring them and neither party shall be responsible for the expense of witnesses called by the other.
- 4.4.4.5 By processing a grievance beyond Level III, except as provided by law, the grievant expressly waives any right to statutory remedies or to the exercise of any legal process other than as provided by this Article. The processing of a grievance beyond Level III shall constitute an express election on the part of the grievant that the grievance procedure is the chosen forum for resolving the issue contained in the grievance and that the grievant will not resort to any other forum or procedure for resolution of that issue.

ARTICLE 5

LEAVES

It is the responsibility of each faculty member to notify the appropriate administrative office of any and all absences from their assignment.

5.1 Association Leave

- 5.1.1 The Association shall have a total of seven (7) days paid leave annually, (not to be deducted from sick leave) for its representatives to utilize for local, state, or national conferences, or for conducting other business pertinent to Association affairs. These representatives shall be excused from teaching duties upon two (2) days advance notification to the appropriate dean by the Association President. LBCCFA shall provide the Vice President, Human Resources, and all deans with a list of the names of the designated representatives. In accordance with Education Code §87768.5, if the purpose of the leave provided for in this section is for the purpose of enabling an employee to serve as an elected officer of LBCCFA or of any statewide or national public employee organization with which LBCCFA is affiliated, the District shall be reimbursed (within 10 days of the District's certification of payment of compensation to the employee representative) by LBCCFA for all compensation paid to any of its employees on account of the leave.

5.2 Sick Leave

- 5.2.1 Every faculty member shall be granted eleven (11) days/eighty-eight (88) hours sick leave at full pay per school year. Unused sick leave shall be accumulated from year to year.

These provisions shall be governed by the following:

- 5.2.1.1 When a faculty member works less than a one hundred percent (100%) contract load, the amount of sick leave granted will be based on a proration of the actual time worked during the academic year.
- 5.2.1.2 Faculty members employed for overtime classes shall receive hourly sick leave credit at the rate of one (1) hour for every eighteen (18) hours paid.
- 5.2.1.3 During summer and winter session faculty members with classroom assignments shall receive hourly sick leave credit at the rate of one (1) hour for every eighteen (18) hours paid. Faculty members with non-classroom assignments shall receive hourly sick leave credit at the rate of one (1) hour for every twenty-six (26) hours paid.
- 5.2.1.4 Faculty members shall be entitled to draw upon their accumulated sick leave for absence due to illness or injury while serving beyond the contract year (summer intersession and winter intersession), upon exhaustion of their hourly overtime sick leave, if they elect to do so.
- 5.2.1.5 Faculty members on sick leave in excess of ten (10) consecutive days (not including personal necessity days) prior to returning to work may be required to produce a doctor's note authorizing return to work or may be required to secure medical clearance from a District-designated physician. The cost of the District-designated physician, if any, shall be borne by the District.
- 5.2.1.6 During the fall and spring semesters a faculty member who is absent for sick leave

for a period of five (5) consecutive scheduled work days or less (regardless of the actual work days within that period) will be charged sick leave for the actual hours of absence on the day(s) of reported illness. Scheduled office hour(s) will be charged in a similar manner.

- 5.2.1.7 For Instructional Specialists and Coordinators responsible for forty (40) hours per week, absences which exceed five (5) consecutive scheduled work days, the number of hours subtracted from a faculty member's sick leave, commencing on the sixth day of absence, shall be computed by the following formula:

$$H = \frac{8T}{3} \quad \text{where } H = \text{Hours subtracted and } T = \text{TU's missed.}$$

If part of a faculty member's load is reassigned time, the total number of hours subtracted for reassigned time missed shall be calculated as follows:

$$R = \frac{\%RT}{D} \times 40 \times \text{days missed where } R = \text{reassigned time subtracted,}$$

RT = reassigned time assigned, D = days worked/week

$$\text{Overall formula: } H = \frac{8T}{3} + R$$

Assumptions:

- Assume RT is divided equally over the days worked per week.
- For partial day absences, the amount of reassigned time subtracted for that day equals R multiplied by the percentage missed of the teaching units assigned for that day.

- 5.2.1.8 For Instructors, Counselors and Librarians responsible for forty-five (45) hours per week, absences which exceed five (5) consecutive scheduled work days, the number of hours subtracted from a faculty member's sick leave, commencing on the sixth day of absence, shall be computed by the following formula:

$$H = \frac{9T}{3} \quad \text{where } H = \text{Hours subtracted and } T = \text{TU's missed}$$

If part of a faculty member's load is reassigned time, the total number of hours subtracted for reassigned time missed shall be calculated as follows:

$$R = \frac{\%RT}{D} \times 45 \times \text{days missed where } R = \text{reassigned time subtracted,}$$

RT = reassigned time assigned, D = days worked/week

$$\text{Overall formula: } H = \frac{9T}{3} + R$$

5.3 Sick Leave Sharing

- 5.3.1 The intent of this provision is to assist faculty members who have serious health problems and have exhausted their sick leave and other fully paid leave. Faculty members may donate at any time up to a maximum of forty (40) hours of sick leave (regular monthly and/or hourly) per year in increments of no less than one (1) hour. This donation may be made to another specific faculty member or to the sick leave pool. The identity of the donor shall not

be disclosed to the recipient. In addition, faculty members contemplating retirement may donate no more than forty (40) hours to the sick leave pool at the time of retirement.

- 5.3.2 The net effect of this donation will be to extend the total paid leave available for a faculty member receiving the sick leave donation. Faculty members receiving such a donation shall receive hour for hour credit, in paid status, for sick leave donated by other faculty members.
- 5.3.3 It is expressly understood that participation in the sick leave sharing plan is voluntary and shall require the written authorization of the faculty member. Faculty members voluntarily participating in this program shall hold the District and LBCCFA harmless for any and all disputes arising out of this provision.

5.4 Parental Leave

- 5.4.1 A faculty member who has at least twelve (12) months of service with the District may take up to twelve (12) weeks of leave for reason of the birth of a child of the employee, or the placement of a child with the employee in connection with the adoption or foster care of the child by the employee. The first 40 hours of leave will be paid from the District's parental leave time. If additional time is needed, the additional leave will be paid from any accumulated sick time of the employee. Should accumulated sick time be exhausted prior to the end of the leave period, the remaining time shall be paid at the rate of 50% of their regular salary. An employee shall not be provided more than one twelve (12) week leave period pursuant to this section during any twelve (12) month period. The parties agree the intent of this section is to comply with Education Code Section 87780.1 and agree to amend the language in line with any statutory requirement changes.

5.5 Pregnancy and Maternity Leave

- 5.5.1 Utilization of Sick Leave: During that period of time in which the faculty member is physically disabled and unable to perform their regular duties due to pregnancy, miscarriage, childbirth and recovery therefrom, as certified by their physician, the faculty member shall be permitted to utilize their accrued sick leave pursuant to Section 5.2 of this Article.

5.6 Family Care Leave

- 5.6.1 Upon request, the Board of Trustees shall grant an unpaid leave of absence to any faculty member for a period of time of one (1) year for the purpose of rearing the faculty member's child/children (whether natural or adopted) or for the purpose of caring for ill or infirm member(s) of the faculty member's immediate family provided that the employee submit the leave of absence request form to Human Resources at least thirty (30) days prior to the anticipated beginning date of the leave. "Immediate family" means mother, father, grandmother, or grandfather of the faculty member, mother, father, grandmother, or grandfather of the spouse/domestic partner of the faculty member, son, son-in-law, daughter, daughter-in-law, brother, brother-in-law, sister, sister-in-law or grandchild of the faculty member, and stepson, stepdaughter, stepmother, stepfather, stepbrother, or stepsister of the faculty member, or any person living in the immediate household of the faculty member. Exceptions to this notice requirement may be granted by the Board of Trustees.
- 5.6.2 Additional leave for up to one (1) additional year may be granted upon the request of the

employee if the request is made at least thirty (30) days prior to expiration of family care leave and if the original need persists. Exceptions to this notice requirement may be granted by the Board of Trustees.

- 5.6.3 If a family care leave is taken pursuant to this section by an academic employee after the employee has begun work in a given school year, service credit shall be granted for the balance of that year and then no service credit shall be granted for any subsequent year of unpaid leave.

5.7 Bereavement Leave

Every bargaining unit member shall be entitled to a leave of absence for each occurrence of death of any member of the immediate family (as defined by Section 5.6.1 of this Article). This leave shall be paid and shall not be deducted from sick leave. The time allowed for bereavement leave shall be four (4) days, if travel of less than 250 miles one way is required, and six (6) days if travel of more than 250 miles one way is required.

5.8 Personal Necessity Leave

- 5.8.1 All faculty members may use their accumulated sick leave, not to exceed six (6) days per fiscal year, for this leave.

- 5.8.2 Personal Necessity Leave shall be granted for any of the following situations:

- 5.8.2.2 Accident involving the faculty member's person or property, or the person or property of a member of the immediate family, as defined in Section 5.6.1 of this Article;
- 5.8.2.3 Appearance as a witness under official order. Each date of necessary attendance under such an order, other than the date specified in a subpoena, shall be certified by the clerk or other authorized officer of a court or governmental jurisdiction. This section does not apply to professional witnesses;
- 5.8.2.4 Illness in the immediate family of the faculty member, as defined in Section 5.6.1 of this Article;
- 5.8.2.5 Home protection in the event of a natural catastrophe such as severe storm, fire or earthquake;
- 5.8.2.6 Paternity;
- 5.8.2.7 Observance leave for certain religious holidays;
- 5.8.2.8 Appearance in any court or before any administrative tribunal as a litigant or party;
- 5.8.2.9 For reasons of compelling personal importance (as per Education Code §87781.5). The faculty member must provide twenty-four (24) hours advance notice to the department/school office of the intention to use this provision.

5.9 Statutory (Extended Illness) Leave

A faculty member who is absent from duty because of personal illness and who has exhausted their current and cumulative sick leave is eligible for partial payment of their regular salary for the ensuing five (5) school months at a rate of fifty percent (50%) of their regular salary.

5.10 Imminent Death Leave

Every faculty member shall be entitled to two (2) days (non-cumulative) imminent death leave per fiscal year at full pay (not to be deducted from sick leave). This type of leave shall be authorized in case of accident or critical illness with death imminent for a member of the immediate family (immediate family defined in Section 5.6.1 of this Article).

5.11 Industrial Accident and Illness Leave

Faculty members who are absent from duty because of industrial injury or illness shall be allowed, for each injury or illness, full salary from the first day of absence to and including the last day of absence for the illness or injury, not to exceed sixty (60) working days paid leave in any one (1) fiscal year. Allowable leave under this Section shall not be accumulated from year to year. Additional paid leave time beyond the sixty (60) day limit may be granted at the discretion of the Board of Trustees.

5.12 Discretionary Leave

Every faculty member shall be entitled to one (1) day (non-cumulative) per fiscal year at full pay (not to be deducted from sick leave) for any purpose. Faculty members shall also receive two (2) additional discretionary days per fiscal year (a total of three [3]) not subtracted from sick leave. These two (2) additional discretionary days shall only be taken on a day for which the District does not have to pay for a substitute. The appropriate department or school office must be notified at least twenty-four (24) hours in advance of the absence.

5.13 Jury Leave

The District agrees to grant to faculty members called for jury duty in the manner provided by law, leave of absence without loss of pay for time the faculty member is required to perform jury duty during the faculty member's scheduled working hours. Faculty members called for jury duty must notify the District of service date(s) upon receiving said notice from officers of the court. The District shall pay the faculty member the difference, if any, between the faculty member's regular rate of pay and the amount received for jury duty, less meals, travel and parking allowances. Faculty members are required to return to work during any day in which they do not have to report to court. If the faculty member's contract assignment is in the evening, the faculty member may choose to have a substitute or shall receive hourly pay for that portion of their assignment that they teach after completing a day of jury duty.

5.14 Professional Development Leave

5.14.1 The Board of Trustees may grant a tenured or probationary faculty member an unpaid leave of absence of up to one (1) year, renewable, for professional development which shall include, but not be limited to, additional schooling and/or training, participation in faculty exchange programs, involvement in research efforts, and acceptance of long-term assignments to other higher institutions, agencies, corporations, foundations or governments. The faculty member shall be allowed to keep any financial remuneration acquired during professional development leave, and shall be allowed to continue District-paid coverage under the fringe benefit insurance plan unless the leave employment

provides comparable coverage. Neither the District nor the faculty member may make STRS contributions for this unpaid leave. In other words, service credit under STRS is not available under this leave.

- 5.14.2 Procedures and criteria for applying for and awarding such leave shall be the same as Sabbatical Leave (Section 5.16 of this Article, excluding Sections 5.16.2 and 5.16.3).

5.15 Retraining Leave

- 5.15.1 The Board of Trustees may grant an eligible faculty member a paid leave of absence with benefits equivalent to a maximum of two (2) consecutive semesters (fall-spring or spring-fall) for professional retraining, which is defined as training for the purpose of qualifying the faculty member to teach in a discipline other than that for which the individual is currently qualified at the time of application for such leave.
- 5.15.2 A faculty member will be considered eligible for a Retraining Leave if all these conditions are met:
- 5.15.2.1 In the judgment of the appropriate vice president, the faculty member is facing lay-off or reassignment within the next two years due to a reduction within the program in which the individual is currently teaching;
 - 5.15.2.2 The faculty member agrees to serve for a period of time equivalent to twice the length of the Retraining Leave;
 - 5.15.2.3 The faculty member agrees to assume the costs related to the retraining, which shall be limited to course fees and supplies which would normally be required in a twenty-four (24) semester unit course of study at a California State University. If the costs of the proposed retraining will exceed this amount and the more costly retraining has been suggested by the faculty member, the faculty member will pay the excess costs. If more costly training is mandated by the District, the District will pay the excess costs.
- 5.15.3 The proposed retraining program, including the method of verification, will be designated by the Professional Retraining Committee, which shall consist of:
- 5.15.3.1 The faculty member to be professionally retrained;
 - 5.15.3.2 The appropriate vice president(s). The chair will be the vice president from the area of the majority of the faculty member's previous assignment;
 - 5.15.3.3 The appropriate instructional/area dean(s) or administrator;
 - 5.15.3.4 The appropriate department head(s);
 - 5.15.3.5 A representative of LBCCFA; and
 - 5.15.3.6 A representative of the Academic Senate.
- 5.15.4 The number of Professional Retraining Leaves available in any given year will be subject to available resources.
- 5.15.5 The recommendation to grant a Retraining Leave will be made to the Board of Trustees by the Superintendent-President, on the advice of the Professional Retraining Committee.
- 5.15.6 Salary, benefits, retirement contributions, salary increases, and step and column increases as may apply for the standard academic year will continue to be paid to the faculty member

while on Retraining Leave. The total employment earnings of the faculty member including grants, fellowships, retraining leave payments (but excluding investment income) shall not exceed the amount which would have been earned while on a 177-day assignment, plus six (6) hours overtime/overload during that assignment, unless additional earnings are fully disclosed in advance as a part of the leave application proposal. Should additional employment earnings, unknown at the time of the application proposal, become available during the course of the retraining leave, the faculty member shall report such earnings to the District and the District shall proportionately reduce the faculty member's compensation.

5.15.7 Fulfillment of Obligation

5.15.7.1 A faculty member shall not be considered as having completed leave requirements until the objectives of the retraining proposal have been completed, reviewed by the Professional Retraining Committee, and accepted by the Superintendent- President and the Board of Trustees. The faculty member shall provide written evidence of progress on a semester/quarter basis and completion of the leave requirements to the Professional Retraining Committee and to the Vice President, Human Resources no later than one (1) month following the end of each semester/quarter.

5.15.7.2 Should the faculty member not return to the District, not serve the requisite term after returning from retraining, or otherwise fail to fulfill the obligations of the Retraining Leave, the faculty member shall repay the District the full amount received while on retraining leave, including fringe benefits and retirement contributions paid by the District. Should the faculty member return for only a portion of the required period, the repayment will be reduced proportionately. Repayment shall be waived by the District in the event that the failure by the faculty member to meet the obligations of the leave is caused by the death or physical or mental disability of the faculty member.

5.16 Sabbatical Leave

5.16.1 Qualifications

An applicant for sabbatical leave must have rendered service in the District for at least six (6) years during the seven (7) years immediately preceding the sabbatical leave; and not more than one (1) sabbatical leave shall be granted in each seven (7) year period except as provided herein. Credit for one (1) year of service is earned when a faculty member has been compensated for fifty percent (50%) or more of a school year.

5.16.2 Duration

A sabbatical leave will be granted for one (1) semester or two (2) semesters taken consecutively or within a six (6) semester period. Once a sabbatical leave is granted by the Board of Trustees, it may not be terminated before the date of expiration, unless the District expressly agrees, or unless serious illness or disability during a sabbatical leave results in the faculty member's inability to fulfill the sabbatical leave obligations. In such circumstances, the faculty member must immediately so notify the chairperson of the Sabbatical Leave Committee. The faculty member shall then be permitted to use sick leave as provided in Section 5.2 of this Article to maintain their income with the use charged against the accrued sick leave balance on a pro-rata basis (i.e., if on seventy-five percent [75%] pay, the member's sick leave balance will be charged seventy-five percent [75%] per day.) Sabbatical leaves for librarians, instructional specialists and coordinators who work an eighteen (18) week semester shall be for a length of time equal to one or two eighteen

(18) week semesters. If the faculty member on a 197-day schedule is approved for a two-semester sabbatical, compensation will be paid for sixty-six and two-thirds percent (66.67%) of a 177-day assignment. The faculty member on a 197-day schedule may choose to work (and be compensated in the normal manner) or not to work (and not be compensated for) the additional twenty (20) days of the extended year contract.

5.16.3 Compensation

5.16.3.1 Compensation for a leave of two (2) consecutive semesters shall be 66.67 percent of the Schedule 1 salary which the faculty member would have received had they remained in active service. This compensation formula shall be utilized whether the faculty member is approved for sabbatical leave during two (2) consecutive semesters or two (2) non-consecutive semesters within six (6) semesters. Should the faculty member fail to take the second semester during the stated eligibility period of six (6) semesters, compensation for the semester of sabbatical leave shall not be adjusted. Compensation for a leave of one (1) semester shall be seventy-five percent (75%) of the Schedule 1 salary which the faculty member would have received had they remained in active service.

5.16.3.2 While on sabbatical leave the total employment earnings by the faculty member (including grants and fellowships and sabbatical payments but excluding investment income) shall not exceed the amount which would have been earned while on a 177-day assignment plus six (6) hours overtime during that assignment for the District, unless the source(s) of additional employment earnings is fully disclosed in advance as a part of the leave proposal.

5.16.3.3 While on sabbatical leave, the faculty member shall receive all fringe benefits. The faculty member will be responsible for paying their and the District's STRS contribution for the time in unpaid status if they wish to receive a full semester's or full years' service credit. The faculty member must contact STRS for the procedure.

5.16.3.4 A faculty member shall receive one-hundred percent (100%) compensation for a sabbatical leave of one (1) year's duration if they use 10 TUs of banked load for that purpose.

5.16.4 Proposals

A sabbatical leave must benefit the District. It must be related to activities which will improve the instructional process, such as developing improved methods of instruction or services to students, programs or materials appropriate for use by other faculty, or preparing the faculty member to provide improved or alternative services to the District in specifically identified areas of District need. The faculty member must demonstrate in their proposal that the goals of the sabbatical leave can be completed within the time frame and circumstances of the requested leave. Should the faculty member's proposal include a request in non-consecutive semesters, it must be so stated with the scheduled semesters and an explanation of that action.

5.16.5 Process

The applicant's service records, application for leave, and the proposal shall be reviewed by a Sabbatical Leave Committee. This Committee shall be composed of two (2) District administrators and three (3) faculty members, one of which shall serve as Chairperson. The faculty members are to be appointed by LBCCFA for three (3) year terms or to complete

the terms of members who resign or retire. These three (3) faculty members shall be from three (3) different departments and shall be tenured. The Committee shall screen the applications, establish criteria for determining an order of priority, establish an order of priority, and recommend the qualified proposals to the Superintendent-President and the Board of Trustees for approval. If the Board of Trustees rejects a proposed sabbatical application, the Board of Trustees shall so advise the applicant in writing, stating the reason(s) for its action.

5.16.6 Fulfillment of Obligation

5.16.6.1 Within three (3) months of the faculty member's return to duty, the following shall be submitted to the Sabbatical Leave Committee:

- a) All transcripts of work completed or a written report that shows how the objectives in the proposal were accomplished.
- b) A copy of any book or article written or compiled during the sabbatical leave, with a cover letter indicating the benefits to the College and community.
- c) Faculty members will summarize their sabbatical leaves through presentations to the Board of Trustees at scheduled Board meetings.
- d) A faculty member shall not be considered as having completed sabbatical leave requirements until the objectives of the proposal have been completed, reviewed by the Sabbatical Leave Committee and accepted by the Superintendent- President and the Board of Trustees. Copies of sabbatical leave reports shall be kept on file in the library.

5.16.6.2 The faculty member shall return to their previous assignment upon completion of the sabbatical leave, and then serve for a period of time equal to twice the length of the sabbatical.

5.16.6.3 Should the faculty member not return to the District, not serve the requisite term after returning or otherwise fail to fulfill their obligation as provided in Sections 5.16.6.1 and 5.16.6.2 above, they shall repay the District the full amount received while on sabbatical, plus fringe benefits and retirement contributions paid by the District. Should the faculty member return for a portion of the required period, the repayment will be reduced proportionately. Repayment shall be waived by the District in the event that the failure by the faculty member to meet their obligations(s) is caused by the death or physical or mental disability of the faculty member.

5.16.7 The District supports the continuation of sabbaticals. However, the provision of sabbaticals each year is subject to available funding. The maximum number of sabbatical leaves which will be granted each year will depend upon funds provided in the annual budget. The District shall approve a minimum of one (1) sabbatical per academic year.

5.17 Professional Conference Leave

5.17.1 Definition: A professional conference is defined as a national, regional, state, or sectional meeting whose principal business is either community college instruction and/or support or the advancement of the discipline normally taught by the faculty member as part of the college curriculum. Not included in the above definition are:

- 5.17.1.1 Meetings where participants receive college credit.
- 5.17.1.2 Meetings that pay a salary or honorarium to participants.
- 5.17.1.3 Meetings which are promotional, lobbying or legislative in orientation.
- 5.17.1.4 Special interest meetings outside the scope of the definition.
- 5.17.1.5 Meetings of professional organizations whose interests are outside the scope of the faculty member's normal work assignment.
- 5.17.2 A faculty member with the approval of a student services dean, or upon the recommendation by the department head and appropriate area dean may use paid leave for the purpose of attending professional conferences. Requests for this leave shall be processed by the District in a timely manner.
- 5.17.3 Other Paid Leave
 - 5.17.3.1 The District may at any time request a faculty member to attend a professional conference. When such requests are made and the faculty member accepts, the District shall reimburse the faculty member for their expenses up to an agreed-upon limit. District-requested attendance at professional conferences shall be in addition to the leave provided by this section.
 - 5.17.3.2 Conference leaves of appropriate duration can be funded from sources other than the departmental or District conference accounts which have been approved by the appropriate vice president.
 - 5.17.3.3 Any other conference may be approved by the appropriate vice president regardless of the source of funding.
- 5.17.4 The following reports are required within three (3) weeks following the conference:
 - 5.17.4.1 The faculty member shall file with the appropriate dean a typed summary report of conference outcomes and potential benefits to the District, and may include copies of papers presented during the conference. In the case of a District conference, the report shall be filed with the administrator providing the budget for the conference.
 - 5.17.4.2 If the District approval included coverage of expenses, the faculty member shall complete a District claim form, including receipts for registration fees, lodging, meals, and transportation, and file it with the appropriate dean in order to be reimbursed.

5.18 Short-Term Military Leave

- 5.18.1 Short-term military leave is defined as leave for temporary military duty ordered for purposes of scheduled reserve drill periods or for active military training, encampment, naval cruises, special exercises, or like activity.

5.20.2 Annual Salary Step Increments: Employees on paid leave and Professional Development Leave shall have their leave time count as time served for purposes of salary step advancement. Faculty members on unpaid leaves (excluding Professional Development Leave) shall not have their leave time count as time served for purposes of salary step advancement. However, if a leave is taken pursuant to Section 5.3 of this Article, after the faculty member has begun work in a given school year, service credit shall be granted for the balance of that year, and then no service credit shall be granted for any subsequent year of unpaid leave. This provision, limiting salary service credit for faculty members on certain leaves, shall be prospective in effect; faculty members who, pursuant to prior policies, previously earned service credit while on leave shall not have their previous salary status affected.

5.20.3 While on paid leave or on less than thirty (30) calendar days of unpaid leave or on Professional Development Leave (Section 5.14 of this Article), the District shall provide all health and life insurance benefits for the faculty member and their enrolled dependents.

5.20.5 Pursuant to Education Code §87775, the District and Board of Trustees shall be freed from any liability for payment of any compensation or damages provided by law for the death or injury of any faculty member when the death or injury occurs while the faculty member is on any leave of absence granted pursuant to this Article.

FACULTY EVALUATION

9.1 Introduction

- 9.1.1 This evaluation procedure will enable the Long Beach Community College District to meet the legal requirements of the Education Code for the evaluation of probationary and tenured faculty members. The District and LBCCFA have mutually agreed to the evaluation process and the evaluation forms. Copies are attached to the Master Agreement at Appendix E-1 through E-8.F for probationary faculty and Appendix E-9 through E-14 for tenured faculty. Copies are also available on the Human Resources Department website.
- 9.1.2 The evaluation system is based on the assumption that the faculty of the college are both professional and competent. It is intended to ensure the professional competence of the faculty and to ensure that every effort is made to assist and support these academic personnel to maintain a satisfactory level of performance of professional duties.
- 9.1.3 The evaluation procedure has been designed to provide a uniform process that is in accord with the principles of due process of law. The evaluation standards should be considered guidelines for the evaluation process rather than as an absolute measuring device. Evaluation and re-evaluation teams are expected to evaluate each evaluatee's qualifications as a whole, to exercise their best professional judgment in preparing their reports, and to present reports that have value to the evaluatee and to the District. The evaluation procedure is intended to be unbiased, data driven and primarily narrative based.
- 9.1.4 Evaluators are expected to base their judgments and their reports on general observation through normal contacts inside and outside of the classroom, conferences with supervising personnel and with the faculty member, and any documentation or other evidence submitted for evaluation purposes, as outlined in this Article.
- 9.1.5 The evaluation shall cover the period of time since the last evaluation or such period of time since the last evaluation should have taken place.
- 9.1.6 All evaluation forms (probationary, tenure review, tenured and part-time) are available from the Human Resources Office.
- 9.1.7 No member of the tenure review committee or evaluation team shall be a "close relative" of the evaluatee or another committee member (defined as spouse/partner, son, step-son, son-in-law, daughter, step- daughter, daughter-in-law, mother, step-mother, mother-in-law, father, step-father, father- in-law, brother, step-brother, brother-in-law, sister, step-sister, sister-in-law, grandmother, grandmother-in-law, grandfather, grandfather-in-law, grandchild of the employee, or any person living in the immediate household of the employee.)
- 9.1.8 All members of the tenure review committee shall support the diversity described in California Education Code §87663. Within thirty (30) days of the formation of the Tenure Review Committee (or a change in committee membership), if an evaluatee believes that the composition of their evaluation committee is not sufficiently diverse, the evaluatee shall have the right to request that an additional tenured faculty member from the evaluatee's department or tenured faculty member with documented equivalency to teach in that discipline or a tenured faculty member from a closely related discipline be added to the committee. The selection of the additional member must be mutually agreed to between the evaluatee and the area dean/administrative supervisor.

- 9.1.9 The current LBCCFA President is prohibited from serving as a member of any tenure review committee unless specifically agreed to by the Vice President of Human Resources or designee.

9.4 The Tenure Review Process for Probationary Faculty Members

9.4.1 Statement of Philosophy

- 9.4.1.1 Probationary employees must be evaluated annually during the first, second, and fourth year of the four-year probationary period. A rating of Needs Improvement in the second year requires a third-year evaluation. With a rating of Satisfactory in the second year, evaluation in the third-year shall be at the discretion of the Tenure Review Committee and determined by the Tenure Review Committee at the conclusion of the second-year evaluation. Notification regarding whether the probationary faculty member will be subject to a third-year review or not shall be provided to the probationary faculty member by the Tenure Review Committee as part of the second-year Recommendation Sheet (Appendix E-7). In the case of probationary faculty members hired initially in the spring semester, the annual evaluation process will commence in the succeeding fall semester.
- 9.4.1.2 Tenure review is the extension of the hiring process during which probationary faculty are integrated into the life of the College prior to becoming permanent members of the College community. The decision to grant tenure is as important as the initial employment decision.
- 9.4.1.3 A copy of the Master Agreement shall be made available to each new faculty member during the orientation period.

9.4.2 Tenure Review Committee

- 9.4.2.1 Formation: The LBCCFA shall have the responsibility to notify the Human Resources Department of the names of the peer evaluators serving on the Tenure

Review Committees.

9.4.2.2 Committee Composition

The Tenure Review Committee shall consist of the following:

- 9.4.2.2.1 The tenured department head of the department in which the faculty member is being evaluated, or their tenured designee from that department, who shall chair the Committee. In the nursing departments, the program director shall serve in this role.
- a) In the case of areas where there is no department head, the chair of the Committee shall be as listed in Appendix B of the Master Agreement.
 - b) If the department head is a probationary faculty member, the chair of the Tenure Review Committee shall be appointed by LBCCFA from among the tenured faculty members of the probationary faculty member's primary department, and if that is not possible, from tenured faculty members with documented equivalency to teach in that discipline or the tenured faculty members from a closely related discipline.
 - c) If a probationary faculty member's assignment is split between two (2) departments, LBCCFA and the District shall come to a mutual agreement as to what process will be utilized.
 - d) The positions listed in Appendix B do not fit within the parameters as cited in Section 9.4.2.2.1.b above, therefore, the persons who have direct supervision over the positions listed in Appendix B will be designated as the Chair of the Tenure Review Committee. The Contract Administration Committee (Article 20) shall approve the evaluation chair if not covered under Appendix B. If the probationary faculty member has a concern about the assigned chair in Appendix B, the faculty member may request that the Contract Administration Committee review the assignment.
 - e) When the department head is a close relative (as defined in Section 9.1.7) of the evaluatee or the department head is serving as President of LBCCFA, the Contract Administration Committee shall select the evaluation chair.
 - f) If a probationary faculty member's assignment is in a non-general counseling department (EOPS, DSPS, Enrollment Services, CalWORKS), the manager of each of these departments will continue to serve as the chair of the Tenure Review Committee as is outlined in Appendix B, however, the counseling department head will serve as the LBCCFA faculty representative.
- 9.4.2.2.2 A tenured department member elected by the department or area in an election conducted by LBCCFA. If such an election is not possible due to the small size of the department or area, this member of the Committee shall be appointed by LBCCFA from tenured faculty members with documented equivalency to teach in that discipline or tenured faculty members from a closely related discipline.
- 9.4.2.2.3 A tenured faculty member, preferably from the evaluatee's department or

area, or if that is not possible, with documented equivalency to teach in that discipline or from a closely related discipline, appointed by the Academic Senate. When making its appointment to the Committee, the Academic Senate shall support the diversity envisioned by California Education Code §87663.

- a) If the Chair of the evaluatee's Tenure Review Committee is as listed in Appendix B, an additional tenured faculty evaluator shall be appointed to the Tenure Review Committee by LBCCFA. This tenured faculty evaluator shall be appointed from the evaluatee's area of assignment whenever possible. If that is not possible, the appointment shall be a tenured faculty member with documented equivalency to teach in that discipline or a tenured faculty member from a closely related area.

9.4.2.2.4 Area dean or a dean designated by the area vice president.

9.4.2.2.5 The probationary employee (the evaluatee) who is the subject of the tenure review process.

9.4.2.2.6 An alternate, in the event a member of the Tenure Review Committee is unable to fulfill their four-year term of service on the Tenure Review Committee, the alternate shall be determined as the runner-up in the Tenure Review Committee election. If this is not possible, the alternate should be selected by mutual agreement between the Tenure Review Committee. The alternate shall be from the evaluatee's department or area, or if this is not possible, from tenured faculty members with documented equivalency to teach in that discipline or tenured faculty members from a closely related discipline.

9.4.2.3 Participation and Voting

All members of the Tenure Review Committee, including the probationary faculty member, shall have the right to have their views heard by the Committee. The probationary faculty member shall be a nonvoting member of the Committee. The chair shall maintain within the evaluatee's tenure review file a record of all Committee actions. The tenure review file shall be maintained in a secured area in the departmental office. Tenure review files shall be accessible to Tenure Review Committee members, the appropriate Vice President, and the Superintendent- President.

9.4.2.4 Committee Service

Nothing in this section shall prevent a person from simultaneously serving on more than one Tenure Review Committee.

9.4.2.5 Term

Members of the Tenure Review Committee shall serve until the evaluatee has been either granted or denied tenure. This requires up to a four-year commitment by committee members. For this reason, those who anticipate a sabbatical or other extended leave of absence within the term of their committee should defer participation in tenure review until after said leave. In the event a member of the Tenure Review Committee anticipates that the member will be unable to fulfill

their four-year term, prior to resignation from the committee, the department head, the Area Dean, and the affected member of the Tenure Review Committee shall meet to discuss the reasons for resignation and alternatives to resignation, if any.

9.4.2.6 Compensation

The Tenure Review Committee Chair shall receive one (1) additional discretionary day (not subtracted from sick leave) for each Tenure Review Committee per year, granted following the completion of the annual evaluation process.

9.4.2.7 Committee Member Resignation/Replacement

9.4.2.7.1 Upon receipt of a committee member's resignation, the alternate shall fill the seat vacated by the original committee member.

9.4.2.7.2 The committee may require that the Academic Senate or LBCCFA replace any faculty committee member who misses one or more meetings or who, in the Committee's opinion, is otherwise not participating in the tenure review process. In the event a committee member is replaced, the alternate shall fill the seat vacated by the original committee member.

A member of the Tenure Review Committee shall meet with the evaluatee's class during the first twenty (20) minutes of the designated class period (unless otherwise agreed to by the evaluatee) for the purpose of reviewing the Student Evaluation Process Script (Appendix E-8.G) and distributing a hard copy or electronic copy of the appropriate student evaluation forms to all students in each class. The evaluatee shall not be present while student evaluations are being conducted. All the hard copy student evaluation forms will be collected by the Tenure Review Committee member, placed in an envelope identified with information about the section number and instructor and sealed. The member of the Tenure Review Committee that conducts the student evaluations will deliver the sealed envelope to the Chair of the Tenure Review Committee. The original student evaluation forms shall be retained by the Chair of the Tenure Review Committee. - c) The student evaluation forms are provided at Appendices E-8.A, B, C, D, E, F and G.

- d) There are separate forms to be used for both teaching and non-teaching faculty. The basic evaluation instrument appropriate for teaching shall be used in all classes, excluding overload classes and summer session classes, to which the faculty member is assigned. Departments may add questions to the basic instrument to satisfy their individual needs. If additional questions are added, they need to be approved by the Vice President of Human Resources or designee.
- e) In the case of classes or services for the disabled, the student evaluation forms shall be distributed to all students that the probationary member meets on Monday and Tuesday, including night students. In such cases, the student assistants may assist the students in filling out the evaluation forms.

- a) Each Tenure Review Committee member shall conduct a classroom/worksite observation. This evaluation shall be conducted during the fall semester with the exception of counseling, which may observe probationary faculty during registration during the summer.
- b) The classroom/worksite observation shall be concerned with professional performance and knowledge related to their subject matter as outlined below:
 - 1) In the case of instructional faculty, this evaluation shall be concerned with the faculty member's preparation, teaching and/or content delivery, use of a variety of delivery methods if appropriate, and supervision of instructional activities and classroom/worksite management as well as the criteria outlined in Section 9.3.1 of this Article. The primary basis for this evaluation is classroom visits or in the case of non-teaching faculty, observation of the faculty member's performance of assigned duties. Tenure Review Committee members shall document their observations in this and all steps of the evaluation procedure for use in the final evaluation.
 - 2) In the case of librarians, faculty members shall be observed while providing information assistance to students, faculty and staff; and (if applicable) while giving class orientations,

presentations or workshops; and while performing various duties related to the faculty member's area of responsibility.

- 1) Faculty who are primarily non-teaching but who teach classes shall also be evaluated in those classes that they teach.

9.4.3.3.4 All faculty teaching a distance education course shall be evaluated in each distance education course during their normal evaluation cycle. Committee members shall be trained to evaluate faculty teaching distance education courses.

- a) For approval of an online or hybrid teaching assignment, a bargaining unit member must complete one of two options:
 - 1) The LBCCD Online Teaching Certification; or
 - 2) Present documentation of satisfactory completion of an online teaching certification from a regionally accredited college

- b) A bargaining unit member shall present evidence of completion of an online teaching certification from the District and/or another regionally accredited college for review and approval prior to an assignment being given. - 9.4.3.3.5 Faculty also serving as coaches, as listed in Appendix C Salary Schedule 3, will be evaluated separately for their coaching assignment. The evaluation shall be conducted by the Athletic Director under the supervision of the area dean. The assignment of a coach is separate and apart from their full-time faculty teaching assignment. A full-time faculty can be removed from their coaching assignment for violations of District policy, misconduct and/or unsatisfactory performance in accordance with this Article.
- 9.4.3.3.6 Evaluation of professional responsibilities and activities
- a) The Tenure Review Committee shall confer with the evaluatee's area dean/administrative supervisor regarding any factual information that may exist which allows committee members to evaluate the evaluatee's ability to meet the professional responsibilities. No information shall be provided by the area dean/administrative supervisor that the evaluatee has not been previously advised of and to which the evaluatee has had an opportunity to respond. The evaluation of professional responsibilities and activities shall

- e) Each individual member of the Committee shall determine an overall rating for the evaluatee as outlined below:
- Satisfactory

- Needs Improvement

- 1) Each individual Committee member's rating shall be based upon the evaluator's overall assessment of the evaluatee's professional competency, ability to perform their professional responsibilities, evaluatee's self-report, and the student evaluations.
 - 2) A Committee member's overall rating shall include but is not limited to: professional knowledge/competence, professional activities, character/ethics, student engagement, effectiveness in the classroom or worksite, adherence to policies/practices, interpersonal skills, student evaluations, and participation within the department.
 - 3) Other items/issues may be considered by the evaluator as long as the evaluator deems the item/issue critical to the professional competency, expectations, and responsibilities of being a faculty member at Long Beach City College. This would require a written statement by the evaluator that makes a case for how the item/issue is critical to the professional competency, expectations, and responsibilities of being a faculty member at Long Beach City College. Such a statement must be in writing and shall be attached to their E-5 form.
- f) Appendix E-5 shall be signed and dated; no erasures shall be permitted. Copies of Appendix E-5 shall be maintained in the tenure review file.
- g) The Tenure Review Committee (with the exception of the evaluatee) will hold a meeting in order to review and discuss each committee member's Evaluation Worksheet for Probationary Faculty and the other documents pertaining to the evaluation process (Appendices E-1 through E-5). The Chair of the Tenure Review Committee will then tally the individual ratings on Appendix E-5, dividing the total number of points by the number of committee members (excluding the probationary faculty member evaluated), and record the overall rating on the Annual Evaluation Report for Probationary Faculty (Appendix E- 6).

Overall rating scale:

Satisfactory	2.51 – 3.00
Needs Improvement	1.51 – 2.50*
Unsatisfactory	1.00 – 1.50

*In the event a probationary faculty member receives a respective score of 3, 3, 3, and 1, from the four members making up the Tenure Review Committee, the overall rating of such evaluation shall be deemed satisfactory. The Committee may also provide Committee comments on Appendix E-6. Each member of the Committee shall sign and date the Annual Evaluation Report for Probationary Faculty (Appendix E-6).

- h) At this Committee meeting, the Committee shall also complete the Annual Evaluation Report for Probationary Faculty (Appendix E-6), and the Recommendations Sheet: Probationary Faculty (Appendix E-7). - i) The Committee may recommend that tenure be granted after completion of the annual evaluation process following any of the first four (4) years of employment.
- j) The Board of Trustees may grant tenure following completion of the first, second or third probationary year.

9.4.3.3.7 Annual Evaluation Conference

- a) Tenure Review Committee shall conduct an Annual Evaluation Conference with the evaluatee. All members of the Tenure Review Committee, including the evaluatee, must be present at the Annual Evaluation Conference. The purpose of the Annual Evaluation Conference is to present and discuss the results of the evaluation process with the probationary employee.

The basis upon which a “Needs Improvement” or “Unsatisfactory” rating was made will be discussed and assessed at the Annual Evaluation Conference. If the evaluatee needs additional time to respond to items raised at the Annual Evaluation Conference, the Conference will be adjourned and reconvened within no more than five (5) working days.

- b) Within five (5) working days of the date of the Annual Evaluation Conference, the evaluatee may submit a written response to the Tenure Review Committee’s findings, which will be attached to Appendix E-7.
- c) All the Committee’s evaluation documents (Appendix E-1 through E-7), student evaluations (Appendix E-8), and the evaluatee’s response will be forwarded to the Human Resources Office for inclusion in the evaluatee’s personnel file. Copies of all tenure review documents will be maintained in the tenure review file until completion of the tenure review process, at which time these copies will be provided by the Committee Chair to the evaluatee.

9.4.3.3.8 Procedure for “Needs Improvement” or “Unsatisfactory” Evaluation

- a) If the overall rating is “Needs Improvement” at any time during the

first three (3) years of probationary service, the Tenure Review Committee, in consultation with the evaluatee, shall develop a written improvement plan for the probationary faculty member. The plan must have identifiable objectives and include the timelines within which each objective is to be achieved. Determination by the Committee by majority vote that the improvement plan has not been satisfactorily implemented within the established timelines shall be grounds for an “Unsatisfactory” evaluation and a recommendation for non-renewal of employment.

- b) An “Unsatisfactory” evaluation shall be grounds for an immediate recommendation for non-renewal of employment in the first, second, or fourth year of probationary service. In addition, a “Needs Improvement” evaluation in the fourth year of employment shall be grounds for an immediate recommendation for non-renewal of employment.
- c) A “Needs Improvement” or “Unsatisfactory” evaluation in the third probationary year cannot result in an immediate recommendation for non-renewal of employment since the evaluatee will be serving under a two-year contract of employment. In case of either a “Needs Improvement” or “Unsatisfactory” evaluation in the third probationary year, a written improvement plan with specific assistance and support structure (as appropriate), in accordance with Section 9.4.3.3.6 (above) will be implemented.
- d) A Board of Review will be convened if the overall rating on Appendix E-6 and E-7 is “Unsatisfactory,” utilizing the procedures outlined in Section 9.4.3.5 below. If the overall rating of Appendix E-6 and E-7 is “Needs Improvement,” within ten (10) days of receiving such rating, the evaluatee may request a Board of Review be convened.

9.4.3.4 Length of the Tenure Review Process

- 9.4.3.4.1 If a probationary faculty member is working under their first contract, the Board of Trustees shall elect one of the following alternatives concerning continued employment:
 - a) Not enter into a contract for the following academic year.
 - b) Enter into a contract for the following academic year.
 - c) Employ the probationary employee as a permanent employee for all subsequent academic years.
- 9.4.3.4.2 If a probationary faculty member is working under their second contract, the Board of Trustees shall elect one of the following alternatives concerning continued employment:
 - a) Not enter into a contract for the following academic year.
 - b) Enter into a contract for the following two (2) academic years.
 - c) Employ the probationary employee as a permanent employee for all subsequent academic years.
- 9.4.3.4.3 If a probationary faculty member is employed in the fourth full year of employment, the Board of Trustees shall elect one of the following

alternatives concerning continued employment:

- a) Not employ the probationary faculty member as a permanent faculty member.
- b) Employ the probationary employee as a permanent faculty member for all subsequent academic years.

9.4.3.5 Board of Review for Probationary Faculty Members

9.4.3.5.1 If the overall rating on Appendices E-6 and E-7 at any time during the tenure review process is "Unsatisfactory," the Chair of the Tenure Review Committee shall immediately advise the evaluatee and the administrator/dean serving on the Tenure Review Committee shall immediately notify the Vice President of Human Resources of the need for a Board of Review. Within ten (10) days of receiving an overall rating of "Needs Improvement" on Appendices E-6 and E-7, the evaluatee may request a Board of Review be convened.

9.4.3.5.2 The Board of Review shall be composed of the appropriate Vice President or designee and the LBCCFA President or designee. The Board of Review shall be chaired by a third party acceptable to the other two. No member of the Board of Review shall have served on the Tenure Review Committee that submitted the evaluation in question.

9.4.3.5.3 The Board of Review's sole responsibility is to provide an advisory finding whether or not the tenure review process was carried out in accordance with the procedures outlined in this Article and, if an error occurred, whether that error was substantial enough to potentially change the outcome of the evaluation. The Board of Review does not substitute its judgment for the Tenure Review Committee and makes no judgment on the merits of the evaluation.

The parties recognize that there are many deadlines and procedural requirements in the process and that peers are involved in the process. While the parties expect the process to be followed as written, they recognize that a non-substantive procedural error could occur but may not require a change in the result. A "substantive error," described as one which, if not made could have changed the result, is subject to the remedies of California Education Code §87610.1 per the arbitrator's decision.

The Board of Review shall meet as often as its members decide by majority vote to be necessary in order to reach their findings one week prior to the February Board of Trustees meeting. If meetings conflict with the class assignments of the Board of Review members or the evaluatee, classroom substitutes shall be provided by the District. The evaluatee shall be notified by the Chair of the Board of Review as to all scheduled meetings of the Board of Review. Though the evaluatee is invited, the evaluatee is not required to attend and will be excluded while the Board of Review deliberates on its decision. All decisions made by the Board of Review shall be determined by majority vote and signed immediately by all members who are in agreement. Any minority reports shall be signed at the same time.

9.4.3.5.4 The advisory findings of the Board of Review shall be submitted to the Vice President of Human Resources, within two (2) working days of the last meeting of the Board of Review. The Board of Review findings shall be attached to the Recommendation Sheet: Probationary Faculty (Appendix E-7) for consideration by the Vice President of Human Resources and the Superintendent-President.

9.4.3.5.5 The Superintendent-President shall forward their written recommendation for action to the Board of Trustees along with the recommendation of the Tenure Review Committee (as specified in Section 9.4.3.5.4 above).

9.4.3.6 Granting of Tenure

9.4.3.6.1 Degree Requirements for Tenure

The Board may grant tenure to faculty members who do not meet the minimum degree requirement for tenure specified in the Education Code if both the following are met:

- a) The Board determines that rare and compelling reasons exist justifying the action.
- b) The process by which the Board reaches the determination has been developed and agreed upon jointly by representatives of the Board and the Academic Senate, and approved by the Board.

9.4.3.6.2 Tenure Denial

- a) The Board of Trustees may deny tenure to probationary faculty members after consideration of the recommendations of the Tenure Review Committee, the findings of the Board of Review and the recommendation of the Superintendent-President.
- b) Should the probationary faculty member be served with a Notice of Non-Renewal, then the probationary faculty member shall have twenty (20) calendar days to file a request for a hearing with the office of the Vice President of Human Resources.
- c) If a hearing is requested by the probationary faculty member, the Vice President of Human Resources shall notify the LBCCFA President personally of the date, time and place of the hearing, confirmed in writing, at least five (5) calendar days in advance of the hearing.

9.5 The Evaluation Process for Tenured Faculty Members

9.5.1 The list of tenured faculty members to be evaluated shall be provided by the Human Resources Department to the LBCCFA President, Academic Senate President, Evaluatee, department chairs and deans. Once the list has been received, the department chair shall submit to the Vice President of Human Resources and the dean the list of the evaluation team members for each tenured faculty member to be evaluated that year (see Section 9.5.3, below, for the membership of the Evaluation Team).

- 9.5.1.1 Tenured faculty members shall be evaluated at least once in every three (3) years.
- 9.5.1.2 When a probationary faculty member becomes a tenured faculty member at the conclusion of the probationary period, that faculty member will be scheduled for the next regular evaluation in the third full year following the probationary period.
- 9.5.1.3 Tenured faculty members will be scheduled for evaluation every third year unless evaluated again due to an “Unsatisfactory” or “Needs Improvement” evaluation. If a faculty member is on a leave of absence at the time of their regular evaluation cycle, the faculty member will be evaluated in the first year following the termination of the leave of absence.
- 9.5.1.4 If a tenured faculty member is not evaluated in a given academic year, the faculty member’s evaluation shall be continued and completed in the following academic year.
- 9.5.2 If a faculty member has an assignment in more than one department, LBCCFA and the District shall come to a mutual agreement as to what process will be utilized.
- 9.5.3 The Evaluation Team shall consist of the following members:
 - 9.5.3.1 The evaluatee (as a nonvoting member).
 - 9.5.3.2 Evaluation Team Chair – The Evaluation Team Chair shall be the tenured department head or tenured designee. In the nursing departments, the tenured program director or tenured designee shall serve in this role.

 - 9.5.3.2.3 If the faculty member has a concern about the assigned chair in Appendix B, the faculty member may request that the Contract Administration Committee review the assignment.
 - 9.5.3.2.4 The Contract Administration Committee (Article 19) shall approve the Evaluation Team chair if not covered under Appendix B or Section 9.5.3.2 below.
 - 9.5.3.2.5 If the department head is a probationary faculty member, the chair of the Evaluation Committee shall be appointed by LBCCFA from among the tenured faculty members of the evaluatee’s department, and if that is not possible, from the tenured faculty members of a closely related discipline.
 - 9.5.3.3 One (1) tenured department member in the evaluatee’s department or area of specialization (and if that is not possible, from a closely related discipline) selected by the Academic Senate. If the evaluatee objects to the selection on the basis of bias, the evaluatee shall present in writing the basis for the contention of bias. The

written document shall then be submitted to the Evaluation Team Chair and the area dean/administrative supervisor for consideration and a determination as to whether or not a replacement is warranted. The decision as to whether or not a replacement is warranted shall be determined through mutual agreement by the Evaluation Team Chair and the area dean/administrative supervisor. If a request for a replacement is mutually approved, the Evaluation Team Chair shall notify the Academic Senate that a replacement is needed.

In the event that the person serving as Evaluation Team Chair is the area dean/administrative supervisor, the LBCCFA President and the Evaluation Team Chair shall decide whether a replacement is appropriate.

- 9.5.3.4 One (1) tenured evaluator in the evaluatee's department or area of specialization selected by LBCCFA President.
- 9.5.4 When the department head is a close relative (as defined in Section 9.1.7) of the evaluatee, the dean shall convene a team composed of:

9.5.5.7 Appendix E-13 shall be completed, signed (no erasures shall be permitted) and dated by each evaluator prior to the Annual Evaluation Conference.

9.6 Professional Standards

All faculty members shall be evaluated by means of the professional standards listed in Section 9.3 of this Article. The area dean/administrative supervisor may provide to the Evaluation Team Chair a written statement from the area dean/administrative supervisor that speaks to any factual evidence that exists related to an assessment of the evaluatee's adherence to their professional responsibilities. This document shall be distributed to all members of the Evaluation Team (if provided) and shall be taken into consideration by each committee member in their overall assessment of the evaluatee. No information shall be provided to the Evaluation Team by the area dean/administrative supervisor that the evaluatee has not been previously advised of and has had an opportunity to respond.

9.7 Distance Education Teaching Assignments

9.7.1 For approval of an online or hybrid teaching assignment, a bargaining unit member must complete one of two options:

- 1) The LBCCD Online Teaching Certification; or
- 2) Present documentation of satisfactory completion of an online teaching certification from a regionally accredited college

9.7.2 A bargaining unit member shall present evidence of completion of an online teaching certification from the District and/or another regionally accredited college for review and approval prior to an assignment being given. Certification documentation shall be provided to the respective Department Head for consideration in assignment and provided to the Online Learning and Educational Technology Office for validation. Human Resources will include completion of an approved certification in the bargaining unit member's personnel file.

9.7.3 As part of the ongoing evaluation process, online/hybrid courses must show evidence of faculty-initiated and student-to-student regular and effective contact and interaction consistently and on-going throughout the length of the course. The LBCCD Online Course Checklist/Observation – Tenured Faculty (Synchronous or Asynchronous Class) (Appendix E-11.B) shall be utilized to provide peer feedback on Sections A-D in the areas of:

- 1) Content Presentation
- 2) Communication/Interaction
- 3) Assessment
- 4) Accessibility

9.7.4 Instructors should regularly participate in professional development activities specifically related to online or hybrid instruction. These may include: District approved Learning Management System instruction, pedagogical discussions, equitable teaching and learning practices, etc.

- 9.7.5 Regular contact hours should be listed through published office hours (whether virtual or in-person) and availability for answering questions and giving feedback.
- 9.7.6 Committee members shall be trained to evaluate faculty teaching distance education courses.

9.8 Student Evaluation of Tenured Faculty

- 9.8.1 The student evaluation process of tenured faculty member(s) shall be initiated every three (3) years during the evaluation cycle for all scheduled sections. Student evaluations will be considered as a part of the process for evaluating tenured faculty members.
- 9.8.2 Each department shall develop its individual student evaluation instrument, with all faculty member(s) in that department having the opportunity for input into the content of the instrument. Each department will file a copy of the document with the Academic Senate and the appropriate Vice President.
- 9.8.3 A member of the Evaluation Team (not the evaluatee) shall distribute the appropriate student evaluation forms to all students in each class and leave the classroom while the student evaluation is being completed. All the student evaluation forms will be collected by the Evaluation Team member in each class, placed in an envelope identified with information about the section number and instructor, sealed and returned to the Chair of the Evaluation Team for distribution to the Team members in accordance with Section 9.4.3.3.2 of this Article.
- 9.8.4 Faculty members are encouraged to conduct their own student evaluations on an ongoing basis. Nothing in this section shall prevent a faculty member from conducting such evaluations.
- 9.8.5 Nothing in this section shall be interpreted to prevent any department or area of the College from conducting general evaluations of its services, provided such evaluations do not identify specific faculty members and are non-punitive.
- 9.8.6 Student Evaluation (Appendices E-8.A, B, C, D, E, F, G)
 - 9.8.6.1 Process for Conducting Classroom Student Evaluations
 - 9.8.6.1.1 Student evaluations shall be conducted in at least three (3) of the classes being taught by the evaluatee during the fall semester. A member of the Evaluation Team shall meet with the evaluatee's class during the first twenty (20) minutes of the designated class period for the purpose of distributing a hard copy or electronic copy of the appropriate student evaluation forms to all students in each class. The evaluatee shall not be present while student evaluations are being conducted. All hard copy student evaluation forms will be collected by the Evaluation Team member, placed in an envelope identified with information about the section number and instructor and sealed. The member of the Evaluation Team that conducts the student evaluations will deliver the sealed envelope to the Chair of the Evaluation Team who will then have both the ratings and comments compiled into a single separate document to ensure confidentiality that will then be distributed to the Evaluation Team with a copy to the evaluatee. The electronic student evaluation forms will be collected by the designated District repository

and sent to the Evaluation Team Chair for disbursement. The original student evaluation forms shall be retained by the Chair of the Evaluation Team so that the evaluatee may have access to the original documents after the evaluatee has posted grades for that class.

9.8.6.1.2 The area dean/administrative supervisor may have access to the student evaluations any time after they have been distributed to the Evaluation Team members.

9.8.6.2 Process for Conducting Student Evaluations for Online Courses

9.8.6.2.1 Online evaluations will be sent to students registering in the course and returned to a designated District repository for collection purposes only.

9.8.6.2.2 Collected evaluations will be sent in a batch file directly to the Evaluation Team chair for disbursement as outlined in Section 9.4.3.3.4.b of this Article.

9.9 Annual Evaluation Conference

The Evaluation Team will meet with the evaluatee to conduct the Annual Evaluation Conference.

9.9.1 The Evaluation Team will receive input from the evaluatee and discuss Appendix E-10 through Appendix E-13, classroom/worksites observations, the student evaluations, and the dean's job-related written evaluation comments (when provided).

9.9.2 The Evaluation Team Chair will tally the ratings on each Appendix E-13, dividing the total number of points by the number of Evaluation Team members (excluding the faculty member evaluated) in order to determine the final rating on the Annual Evaluation Report (Appendix E-14).

Overall rating scale:

2.50 – 3.00	Satisfactory
1.50 – 2.49	Needs Improvement
1.00 – 1.49	Unsatisfactory

9.9.3 A "Final Rating" of "Satisfactory" on the Annual Evaluation Report (Appendix E-14) shall not be given unless the evaluatee presents a listing of activities for college service hours and in the case of teaching faculty, evidence that written/critical thinking and/or demonstration/critical thinking assignments are required, as set forth in the course outline. In addition, examples of their welcoming course syllabus and curriculum review activities (if appropriate) must be provided.

9.9.4 The Evaluation Team shall complete the Annual Evaluation Report (Appendix E-14) by May 22.

9.9.5 In the case of the Vocational Nursing Department, all evaluation instruments shall be submitted to the Program Director, who shall then submit them to the dean.

9.10 Evaluation Ratings

9.10.1 If the "Final Rating" is "Satisfactory," no other meeting is necessary.

- 9.10.2 “Unsatisfactory” and “Needs Improvement” ratings require written substantiation. If the evaluatee receives a “Needs Improvement” or an “Unsatisfactory” evaluation, the evaluatee may have a LBCCFA representative present at any Evaluation Team meetings concerning their current evaluation or re-evaluation if the evaluatee chooses. The role of the LBCCFA representative shall be limited to ensuring that the procedures regarding the evaluation process outlined in this Agreement be followed, and that due process be awarded the evaluatee.
- 9.10.3 When a faculty member receives a “Needs Improvement” evaluation, the Evaluation Team in consultation with the evaluatee shall prepare a plan for improvement. The plan must have identifiable objectives and include the timelines within which each objective is to be achieved. The plan will be attached to the final evaluation report and will be used as part of the next regular evaluation of the faculty member. Determination by the Evaluation Team, by majority vote, that the improvement plan has not been satisfactorily implemented within the established timelines shall be grounds for an “Unsatisfactory” evaluation. If a faculty member receives a “Needs Improvement” evaluation, the faculty member may have a LBCCFA representative present at any future Evaluation Team meetings concerning their current or next regular evaluation if the faculty member chooses. The role of this LBCCFA representative shall be limited to ensuring that the procedures regarding the evaluation process outlined in this Agreement are followed and that due process be awarded the evaluatee. Faculty members who have received a “Needs Improvement” evaluation shall have their next regular evaluation in one (1) year. The Evaluation Team shall remain the same if at all possible.
- 9.10.4 If a majority of the Evaluation Team agrees upon a final rating of “Unsatisfactory” at the conclusion of the evaluation process, the Evaluation Team shall immediately advise the evaluatee and the Vice President of Human Resources of the need for a Board of Review.
- 9.10.5 The original completed E-9, E-10 and E-14 forms shall be submitted to the Human Resources Department for inclusion in the evaluatee’s personnel file, as well as the completed student evaluation forms, if requested by the evaluatee. The evaluatee shall have the opportunity to respond within ten (10) working days to the Annual Evaluation Report. This response shall be attached to the Annual Evaluation Report and placed in the evaluatee’s personnel file. Copies of all evaluation materials, documentation, reports, and recommendations that are forwarded to the Vice President of Human Resources shall be given to the evaluatee.

9.11 Board of Review for Tenured Faculty Members

- 9.11.1 The Board of Review shall be composed of the appropriate Vice President or designee and the LBCCFA President or designee. The Board of Review shall be chaired by a third party acceptable to the other two. No member of the Board of Review shall have served on the Evaluation Team or re-evaluation team that submitted the evaluation or re-evaluation in question.
- 9.11.2 The Board of Review has the responsibility to review the evaluation process. It shall determine whether the evaluation or re-evaluation process was conducted in accordance with the procedures outlined in this Article. The Board of Review shall meet within ten (10) days of formation and as often as the members decide by majority vote to be necessary. Meetings of the Board of Review shall be held at times when all participants can be present. If meetings cannot be scheduled without conflicting with the class assignments of the Board of Review members or the evaluatee, classroom substitutes shall be provided by the District. The evaluatee shall be present at all meetings of the Board of Review, unless the evaluatee declines to do so, though will be excluded while the Board of Review deliberates on its

decision. All decisions made by the Board of Review shall be determined by majority vote of the members of the Board of Review and signed immediately by all members who are in agreement. Any minority reports shall be signed at the same time.

9.11.3 The findings of the Board of Review shall be submitted to the Vice President of Human Resources within three (3) working days of the last meeting of the Board of Review.

9.11.3.1 If the Board of Review finds that the evaluation or re-evaluation was not conducted in accordance with the procedures of this Article, the matter should be submitted to the Vice President of Human Resources or their designee. If that person finds the error(s) to be substantive, i.e., that the evaluation may have been significantly different than what the committee produced, then the evaluation should be declared invalid and the evaluatee shall be evaluated or re-evaluated in the academic year following the academic year in which the Board of Review made its finding. However, if the error(s) are determined to not be substantive (as described above), the evaluation shall stand, but the errors will be noted on an attachment to the evaluation by the Vice President of Human Resources or their designee. In addition, if the Vice President of Human Resources or designee determines that the errors can be corrected, the Vice President of Human Resources or designee has discretion to direct that they be corrected.

9.11.3.2 If the Board of Review finds that the evaluation or re-evaluation was conducted in accordance with the procedures outlined in this Article, one of the following shall occur:

9.11.3.2.1 In the case of an “annual evaluation”, the re-evaluation shall be conducted the following semester.

9.11.3.2.2 In the case of a “re-evaluation”, the Vice President of Human Resources shall forward all findings, recommendations, statements, and reports prepared by the Evaluation Team, the re-evaluation team, and the findings of both Boards of Review, to the Superintendent-President. Copies of these materials shall be given to the evaluatee immediately and copies shall be retained in the files of the Human Resources Office.

9.11.3.3 The Superintendent-President shall forward their written recommendation for action to the Board of Trustees along with the Evaluation Team’s recommendation.

9.11.4 If a dismissal hearing is held, the Vice President of Human Resources shall notify the LBCCFA President of the date, time and place of the hearing, by email at least five (5) working days in advance of the hearing.

9.11.5 If the employee is not dismissed, then all findings, recommendations, statements, and reports and all copies of such held by the Evaluation Team, re-evaluation team and the Boards of Review shall be forwarded to the Vice President of Human Resources, who shall seal the documents and place them in the employee’s personnel file.

9.12 Process in the Case of an Unsatisfactory Rating of a Tenured Faculty Member

9.12.1 Whenever the Evaluation Team reports a “Final Rating” of “Unsatisfactory” on the Annual Evaluation Report for Tenured Faculty (Appendix E-14) and the Board of Review has found that the evaluation was conducted in accordance with the procedures outlined in this Article,

the re-evaluation process shall be implemented in the following fall semester. The purpose of the re-evaluation process is for the Evaluation Team in consultation with the evaluatee to develop and implement a plan for improvement in the area or areas of deficiency noted by the Evaluation Team, to assist the evaluatee to make improvements, and to evaluate the evaluatee's performance under the plan. This process requires the formation of a re-evaluation team.

- 9.12.2 The re-evaluation team is an augmented evaluation team, chaired by the appropriate dean. In order to form this team there will be an immediate selection of two (2) additional tenured faculty members from the evaluatee's department or area of specialization to serve as advisors to the evaluatee. One of the advisors shall be selected by the Academic Senate and the other by the evaluatee's department chair. If there is an insufficient number of tenured faculty members in the evaluatee's department or area of specialization, then these advisors shall be selected from outside the evaluatee's department or area of specialization, but from a related discipline whenever possible. The two (2) advisors shall be added as voting members to the original evaluation team for the re-evaluation process. The re-evaluation team shall meet as often as the members decide by majority vote to be necessary. All meetings of the re-evaluation team shall include the evaluatee.
- 9.12.3 The Evaluation Team in consultation with the evaluatee shall develop and submit an improvement plan to the re-evaluation team.
- 9.12.4 Implementation of the improvement plan will occur during the fall semester. The evaluatee shall submit to the re-evaluation team a new Self-Evaluation Report: Tenured Faculty (Appendix E-10).
- 9.12.5 The re-evaluation of the evaluatee's performance shall be completed by the end of the fall semester. Any evidence that could lead to an "Unsatisfactory" rating of the evaluatee by the re-evaluation team shall be submitted in writing by the re-evaluation team members.
- 9.12.6 Each member of the re-evaluation team, with the exception of the evaluatee, shall individually prepare a new Peer Observation Report-Tenured Faculty (Appendix E-11.A) and/or an Online Course Checklist-Tenured Faculty (Appendix E-11.B), a new Committee Member Evaluation Worksheet for Tenured Faculty (Appendix E-13) and submit them to the Evaluation Team Chair for use in the preparation of a new Annual Evaluation Report for Tenured Faculty (Appendix E-14). All decisions and recommendations by the re-evaluation team shall be determined by majority vote and signed immediately by all members who are in agreement. Any minority reports and recommendations shall be signed at the same time.
- 9.12.7 When a majority of the re-evaluation team agrees upon a final rating of "Unsatisfactory" at the conclusion of the re-evaluation process, each member of the team with the exception of the evaluatee shall append to their Committee member Evaluation Worksheet for Tenured Faculty (Appendix E-13) a signed written statement giving the reasons and supporting evidence for the ratings assigned.
 - 9.12.7.1 A Board of Review will be convened if the overall rating on the new Annual Evaluation Report for Tenured Faculty (Appendix E-14) is less than "Satisfactory", utilizing the procedures outlined in Section 9.6, above.
 - 9.12.7.2 All evaluation documents, majority and minority reports shall be appended to the new Annual Evaluation Report for Tenured Faculty (Appendix E-14). The evaluatee shall receive copies of these materials at the time that the Annual Evaluation Report is signed. The Annual Evaluation Report and all materials appended to it shall be forwarded by the re-evaluation team chair to the Vice President of Human

Resources for filing in the faculty member's personnel file. The evaluatee shall be given a period of ten (10) working days in which to submit a response to the Vice President of Human Resources.

- 9.13** This Article is not subject to the Grievance Procedure as outlined in Article 4. However, should LBCCFA become aware that a procedural error has occurred during the process (or within thirty [30] days of the conclusion of the process), LBCCFA will submit the procedural error in writing to the Vice President of Human Resources or designee who shall have the responsibility of evaluating whether or not an error has occurred and, if so, determining an appropriate resolution for the particular error.

- 10.3.1 Faculty members are normally employed for a five (5) day work week, approximately forty-five (45) hours per week per the compressed calendar, to be comprised of fifteen (15) teaching units, five (5) office hours, an average of five (5) hours per week (160 hours per academic year) of college service hours, and the balance of the forty-five (45) hours for classroom preparation, grading, record keeping, curriculum development and review, and professional contacts that are college-assignment related. The faculty member's service load agreement will reflect the semester schedule, including courses, student office hours, percentage of reassigned time and banked load.
- 10.3.2 Faculty members' daily work schedule shall normally comprise an elapsed time of no more than nine (9) hours. Any faculty member assigned to less than a five (5) day work week

may be assigned a daily work schedule of more than nine (9) hours. Assignment to less than a five (5) day work week shall be with the agreement of the affected faculty member. A less than five (5) day work week may be recommended by a faculty member's department head, with the faculty member's concurrence as long as the assignment benefits the educational program and does not result in an insufficient number of classes, counseling appointments, or library services being offered on any day of the week. No faculty member shall be required to work more than five (5) days per week.

- 10.3.3 An exception to Sections 10.1 and 10.3 above shall be the Nursing departments where clinical assignments are an essential function of a full-time Nursing faculty assignment. Clinical assignments shall be compensated on the basis of eight and one-half (8.5) hours worked.

10.3.4 Underload/Bumping

When a faculty member loses a contract class because of low enrollment, the faculty member shall have the following options to complete the work load as defined in Section 10.3.1 of this Article:

- 10.3.4.1 The faculty member may choose an underload during the semester in which the class was cancelled and teach a compensating overload during the next semester or the next year. Faculty members, if assigned to a summer and/or winter intersession, may also make up the underload during the summer and/or winter intersession. (The assignment and other matters with respect to the summer and/or winter intersession carryover of underload will be handled like other summer and/or winter intersession assignments, including Section 10.11 of this Article).

- 10.3.4.2 The faculty member may choose to bump an hourly instructor from a class taught on an hourly basis provided:

10.3.4.2.1 The class has not been designated by the appropriate dean in consultation with the department head as a class in which there is an enrollment following which would be lost as a result of the bumping (such classes must be designated prior to the first class meeting).

10.3.4.2.2 The faculty member has taught the class within the past three (3) semesters or is scheduled to teach the same class during the semester in which the bumping occurs or the faculty member is otherwise deemed qualified to teach the class by the area dean or first line dean in consultation with the department head.

10.3.4.2.3 The faculty member shall not bump another faculty member from a contract class nor shall a faculty member bump a retiree who is teaching hourly under provisions of this contract. Nor shall a faculty member bump a tenured hourly instructor.

10.3.4.2.4 A faculty member who has an hourly overload assignment shall use that portion of the overload assignment needed to fulfill their contract obligation before acquiring bumping rights.

10.3.4.2.5 Bumping provisions apply during the summer and/or winter intersession for faculty members who lose a class because of low enrollment.

- 10.3.5 Faculty members on a (5) five-day work week shall be provided no less than twelve (12) consecutive hours elapsed time between the end of the last regular contract assignment on one day and the beginning of the first regular contract assignment on the following day unless they waive that right in writing. If the faculty member works less than a five-day schedule, the faculty member shall be provided no less than ten (10) consecutive hours elapsed time between the end of the last regular contract assignment on one day and the beginning of the first regular contract assignment on the following day unless the faculty member waives that right in writing. With the agreement of the affected member, a full-time workload may be approved by the appropriate dean for a time frame other than that described here and in Section 10.3.2, when such a change would benefit the educational program.
- 10.3.6 Faculty members shall not be given mandatory Saturday and/or Sunday regular load assignments unless the District has informed both LBCCFA and the affected faculty member in writing, setting forth the reasons for the assignment, and provided them an opportunity to review the situation and discuss it with the area dean or first line dean.

10.4 Examination Period – Graduation

- 10.4.1 Classes will be held until the last day of the semester and final exams will be held within regularly scheduled class times.
- 10.4.2 Graduation is a paid day of service to the District (Section 10.1). Faculty members are required to participate in the graduation ceremony in order to be paid for this day of service unless the faculty member is absent due to illness or has an absence that has been pre-approved.

10.5 Teaching Units

- 10.5.1 The standard teaching load is thirty (30) teaching units per year with fifteen (15) teaching units usually assigned per semester. The teaching units will be based on the following criteria:
- 10.5.1.1 One (1.125) lecture hour equals one (1) teaching unit.
- 10.5.1.2 One (1.125) laboratory hour equals 0.9 teaching unit.

- 10.5.1.4 Faculty members teaching a work experience class shall receive three (3) teaching units. All work experience classes will have a maximum enrollment of fifteen (15) students unless the Vice President, Academic Affairs approves otherwise.
- 10.5.1.5 Teaching units for field work in clinical practicum shall be calculated as follows:

$$\text{Teaching Units} = \frac{(\text{Number of Students}^*) \times (\text{Number of Minutes}^{**})}{120}$$

*The number of students shall be calculated at the end of the 3rd week of the class.

**The number of minutes per student shall be defined as follows:

- Type 1 (wherein Instructor/Coordinators visit multiple job sites over a large geographical area) = 20 minutes/week
- Clinical practicum = 30 minutes/week

- 10.5.2 Any exceptions to the standard teaching load as recommended by the department head and area dean or Dean, Counseling and Student Support Services shall be mutually agreed to by the affected faculty member, department head, and the first line dean.
- 10.5.3 Teaching units shall be rounded to one decimal place, with decimals of five one-hundredths or more being rounded upward and decimals of four one-hundredths or less being rounded downward.

10.6 Faculty Members' Schedules

- 10.6.1 Every faculty member must meet the minimum qualifications for the discipline to which the faculty member is assigned as approved by the California Community College Board of Governors.
- 10.6.2 A faculty member may be assigned by the District to teach in a discipline other than the one in which such faculty member was hired provided that the faculty member meets the minimum qualifications for that discipline approved by the California Community College Board of Governors. A faculty member may request reassignment to teach in a different discipline for which the faculty member meets the minimum qualifications by making a request in writing to the faculty member's department head who shall forward the request to the appropriate dean with a recommendation. The appropriate vice president shall grant or deny the request. If the request is denied, and if requested by the faculty member, the faculty member shall be provided with a written statement indicating the reason for the denial of the request.

- 10.6.4 Assignment
 - 10.6.4.1 The department head shall consult with each faculty member, assuming the faculty member is available, regarding the assignments to be made to regular, overtime, and summer and/or winter intersession classes. The department head shall then recommend to the appropriate dean a schedule for each faculty member. If, after review, the appropriate dean modifies the proposed schedule(s), the appropriate dean shall so advise the department head in writing as to the reason(s), with a copy to the affected faculty member(s).
 - 10.6.4.2 No more than 60% of a faculty member's 100% standard teaching load (Section 10.5) may be online. Any deviation from this load limitation must be approved by the Vice President of Academic Affairs, in consultation with the dean and department chair. The Faculty Association President will be notified of all deviations. In order to be approved for an online teaching assignment, a faculty member must complete the District's online teaching certification or present documented completion of an online teaching certification from another regionally accredited college to the Office of Online Learning and Educational Technology for their approval.
 - 10.6.4.3 An underload may be assigned for a semester and then balanced the next semester or the next year. Overloads shall be governed by the Load Banking provisions in Section 10.9.3 of this Article.
- 10.6.5 If a subsequent change in assignment becomes necessary, the appropriate dean shall

consult with the affected faculty member and department head. If requested by the faculty member, the faculty member shall be provided with a written statement indicating the reason for the reassignment.

10.6.6 With the prior approval of the appropriate dean, a faculty member may use another faculty member to cover the first faculty member's class when the first faculty member is absent on District business or an authorized leave of absence. If coverage falls outside of the substitute instructor's regular assignment, the substitute instructor shall be paid at the appropriate hourly rate of pay. Such coverage shall not be unreasonably denied.

10.6.7 Courses Designated As To Be Arranged (TBA)

10.6.7.1 Faculty assigned to a class, other than work experience, student success centers, and independent study, where some or all of the days or hours are "to be arranged" shall arrange such days or hours as soon as possible after the beginning of the course but not later than the end of the first fifteen percent (15%) of the class meetings. Once the hours are established, students shall be notified of their individual days or hours and these days or hours shall be reported to the appropriate area dean for inclusion on the instructor's faculty service load agreement and the revised faculty service load agreement sent to Academic Services.

Fringe benefits and retirement contributions shall be handled in the same manner as if the faculty member's total assignment, including the banked load, had been worked. Banked leave shall count toward retirement and shall be considered paid District service.
- 10.9.3.6 Full-time faculty may load bank a maximum of three (3) teaching units per academic year from an intersession term which can be applied toward the maximum of eighteen (18) teaching units referenced in Section 10.9.3.2 of this Article. - 10.9.3.8 Every effort shall be made to accommodate a faculty member's request to utilize a banked leave. Denial of the request to utilize banked leave under this section by the administration shall be in writing and shall not be arbitrary or capricious.
- 10.9.3.9 In the event of the faculty member's retirement or death, the cash value of all banked loads shall constitute a liability to the District, payable at the faculty member's hourly rate, to the faculty member or faculty member's estate. - 10.9.3.11 When two (2) or more faculty members from the same department or area apply to use banked leave and both/all cannot be accommodated, those faculty

members who have not previously taken banked leave shall have priority in order of seniority.

- 10.9.3.12 Each faculty member with banked load must approve their faculty service load agreement each semester verifying the load banking balance as of that date. Failure by the faculty member to provide this verification shall void any and all claims to utilize banked load.
- 10.9.3.13 Banked loads cannot be transferred, loaned, or assigned between faculty members.
- 10.9.3.14 Faculty members, Librarians and Instructional Specialists may bank non-classroom assignment hours by converting those hours into teaching units. Each hour of non-teaching classroom assignment equals 0.47 teaching units.

 - 10.9.3.15.2 Counselors may convert banked teaching units into an underload for non-classroom assignments. Each banked teaching unit shall equal 2.40 hours of non-classroom assignment time.
- 10.9.3.16 Overload assignments supported by categorically funded programs may not be load banked.

10.10 Reassigned Time for Bargaining Unit

The Association shall be granted one (1) FTE of paid reassigned time during the academic year. An additional 0.6 FTE of paid reassigned time shall be granted to the Association during an academic year where formal bargaining is scheduled to occur. The LBCCFA President shall provide written notification to the Human Resources Department prior to May 15 of each year to cover utilization of such time for the succeeding fall semester. A second notification shall be made by November 15, if a change is made to the Association's reassigned time for the succeeding spring semester.

- 10.11.1.1 The District at its option may schedule a summer and/or winter intersession.

10.11.6 All summer and/or winter intersession assignments shall be voluntary for the faculty member.

10.11.7 Summer and winter classes are not scheduled on Independence Day and Martin Luther King Day, therefore, there will be no compensation for those days.

10.11.8 All other provisions of the contract shall apply during summer and/or winter intersession.

10.12 Team-Taught Classes

10.12.1 Team-taught classes where more than one (1) instructor receives full teaching unit credit must be designated as such by the Curriculum Committee. In this type of class, each instructor who receives full teaching unit credit must attend and participate in all class meeting sessions.

10.12.2 In team-taught classes where each instructor does not attend and participate in all class meeting sessions, the teaching units are divided between the instructors in proportion to the amount taught.

10.13 Maximum Class Size

10.13.1 The maximum class size for each course shall be as designated in the most recent version of the Master Course File or as changed subsequently by Curriculum Committee action.

10.13.2 The maximum class sizes as listed in the most recent version of the Master Course File may be changed only by the Curriculum Committee and are applicable to both day and evening sections of the course. Copies of all changes in maximum class size and the class

maximum for all new classes shall be provided to LBCCFA by means of the agenda and minutes of the Curriculum Committee for the purposes of updating the Master Course File.

- 10.13.3 In any given semester, the appropriate area dean, or department head with the approval of the area dean, may increase, within the electronic schedule file, the maximum class size (enrollment limit) for any or all sections of a course temporarily by up to ten percent (10%). This increase cannot be made for more than three (3) consecutive semesters. The ten percent (10%) factor is to be temporary and is not intended to permit any permanent, across-the-board increase; it is, instead, intended to permit temporary increases in individual class sizes to meet student demand in that particular semester. The faculty member must be notified of the increase on the date of the increase. Increases beyond ten percent (10%) shall not be imposed without the consent of the faculty member as provided in Section 10.15 of this Article.
- 10.13.4 In order to control maximum class size after a class has been closed during late registration, the faculty member teaching the class may direct their department head or area dean to lower the enrollment allowance by a sufficient amount to ensure that the class will not reopen as students withdraw. In this manner, the class would not reopen until enough students have withdrawn to reach the newly established enrollment allowance.

10.14 Minimum Class Size

A class may be cancelled for low enrollment prior to the start of the first day of the class except in special circumstances as determined by the Vice President of Academic Affairs. Except as provided herein, all classes must have a minimum of twenty (20) students enrolled and in regular attendance by the day before Census. In the case of classes scheduled at extensions, satellites, in certain classes where auditions are conducted prior to enrollment, or in specific classes designated as exceptions by the Vice President, Academic Affairs, the class must have a minimum of twenty (20) students enrolled and in regular attendance by the conclusion of the third official week of the class. The time shall be reduced proportionately for short-term classes (i.e., for eight [8] and twelve [12] week classes, the number of students enrolled by the day before Census). Classes where more than one (1) teacher shares the teaching unit credit proportionately shall have a minimum class size of twenty (20). When attendance falls below twenty (20) during this period of time, the class may be discontinued or combined with another class. Departmental and division support may be provided to reach the minimum class size.

- 10.14.1 When it is in the best interest of the educational program, the area dean may recommend individual exceptions to the minimum class size for consideration by the Vice President, Academic Affairs, based on the following criteria:
- 10.14.1.1 The course is the last in a sequence.
 - 10.14.1.2 It is the only course of its kind and it is required for one of our programs.
 - 10.14.1.3 It is an academic subject, traditionally recognized as a necessary component of liberal arts and science programs.
 - 10.14.1.4 It is a new course that is being given a chance to demonstrate its viability.
 - 10.14.1.5 The department head schedules courses in order to reduce the potential for low enrollment in those courses.

A faculty member may offset an enrollment deficiency in one (1) contract class with an overload in another contract class by accepting students in addition to the maximum class size, as specified in this Section 10.13, at a rate of two (2) students additional for every one (1) below the minimum class size, up to a maximum enrollment deficiency of five (5).

10.14.2 The minimum class size in team-taught classes (classes designated as team-taught classes by the Curriculum Committee and where more than one (1) instructor receives full teaching unit credit) shall be the product of twenty (20) multiplied by the number of faculty members receiving full credit for the class, as defined in Section 10.13 of this Article.

10.14.3 Honors classes are subject to a minimum class size of thirteen (13).

10.14.4 The minimum class size in classes for disabled students shall be twelve (12).

10.15 Load in Large Lecture Classes

10.15.1 A faculty member assigned to a class with an enrollment of 170% of the class size maximum will receive one and one-half (1-1/2) times the usual teaching units for the class (double size class).

10.15.2 A faculty member assigned to a class with an enrollment of 240% of the class size maximum will receive two (2) times the usual teaching units for the class (triple size class). The decision to implement the provisions of this section must be approved by the appropriate dean based upon a recommendation of the department head in consultation with the faculty member involved.

10.15.3 A faculty member shall be paid an additional stipend based on enrollment at census over the class size maximum as described in the table below.

10.15.3.1 The criteria for the selection of large class stipends shall include but not be limited to: (a) Courses traditionally offered as large lectures at CSU/UC; (b) General Education courses needed for student completion; (c) Courses in high demand based on student need, times offered, or limited faculty availability. Prior to the commencement of classes, the Vice President,

Academic Affairs, shall communicate to deans the courses in their areas that have been identified as potentially eligible for a large class stipend.

10.15.3.2 No faculty member shall be required to teach a course identified as eligible for the large class stipend. Participation shall be voluntary.

10.15.3.3 In order to receive the large class stipend, a faculty member must have written approval of the Vice President, Academic Affairs, prior to commencement of the class. Approval of a large class stipend is solely at the discretion of the Vice President, Academic Affairs.

10.15.4 Large lecture classes will be held only in locations which meet health and safety requirements for the number of students enrolled in the class.

10.16 Honors Program

10.16.1 Summer Program

The departments shall propose the courses to be taught in this program to the Honors Committee. The courses shall be specifically tailored for high school Honors students, and approved by the Honors Committee and the Curriculum Committee. The minimum class size shall be fifteen (15).

10.17 Partial Contracts

Faculty members may be granted a partial contract when such contract is recommended by the department head, area dean and approved by the appropriate vice president.

10.18 Reassigned Time Study Group

This study group shall be initiated at the request of LBCCFA. A study group of not more than six (6) employees shall be appointed to review and make recommendations pertaining to reassigned time to faculty members. The study group shall be comprised of three (3) appointees by each party. A written report shall be provided to the District and LBCCFA.

12.2 **Department Head Assessment Procedure**

- 12.2.1 Department head assessments are unrelated to regular faculty evaluations. The department head is being assessed on only those factors related to being a department head, not those factors which the parties have agreed are relevant to faculty evaluations.
- 12.2.2 Performance Factors: This job description sets forth the functions of a department head. These functions shall serve as the Performance Factors by which department heads will be assessed. As such, the Department Head Assessment form (Appendix A) shall set forth the Performance Factors below which will be used to assess and provide feedback to department heads.
- 12.2.3 When department faculty utilize the department head Assessment form, they will address as many of the performance factors as they are able to base on their knowledge of, and interactions with, their department head. The parties agree that specific examples are much more important than the rating for each factor, as the specific examples explain the basis for each rating.
- 12.2.4 Assessment Cycle: All department heads shall be assessed the third semester of each three (3) year term. A support, training or improvement plan may also be initiated at the direction of the majority of the faculty, the discretion of the area dean or as requested by the department head.
- 12.2.5 The committee will be comprised of the area dean (who chairs the committee), and two faculty members mutually agreed to by the dean and the department head. If there are fewer than two faculty members in the department, then both faculty members may be selected from outside the department. If the dean and department head cannot mutually agree on the selection of the two faculty members, then one faculty member outside the department will be selected by the Academic Senate and one faculty member outside the

department will be selected by LBCCFA.

- 12.2.6 The committee chair shall send an anonymous, unrated, Department Head Peer Feedback Survey (Appendix A-1) to all full-time and part-time faculty assigned to the area for the purpose of receiving constructive feedback from faculty. The committee chair shall discuss and provide a copy of survey results to the Department Head.
- 12.2.7 The committee members shall review each of the forms, including their own form (if submitted) and the committee chair shall create a summary document setting forth the assessment of the department head with respect to each Performance Factor. This document will also set forth the specific examples provided.
- 12.2.8 Each Performance Factor will be assigned a rating of Excellent, Exceeds Standards, Meets Standards, Needs Improvement, Unsatisfactory, or Not Applicable/Unknown. There will be a rating form (Appendix A) for both the department faculty review and the department head Assessment Committee's review of the department head. The department head Assessment Committee's review form may include an optional narrative feedback form to provide timely and continuing constructive feedback. This narrative may include, but is not limited to, feedback of the department head's ability with regards to, departmental leadership, departmental planning, class scheduling, and involvement in instructional related issues such as curriculum. For all ratings, both faculty and the department head Assessment Committee should explain their ratings (if they are able to assess the factor) with specific examples.
- 12.2.9 Each faculty member shall provide their peer assessment form to the chair of the Assessment Committee who will provide copies to each member.
- 12.2.10 If the overall rating is Excellent, Exceeds Standards or Meets Standards, the department head shall continue in the role as department head. If the overall assessment is Needs Improvement, the dean, in consultation with the other members of the committee (and if appropriate the Office of Human Resources), will prepare an improvement plan for the area(s) of concern. A draft version of the improvement plan will be presented to the committee for its input and review, which will then finalize it. When the improvement plan is presented to the department head, the dean may consider any revisions requested from the department head. Contained within the improvement plan will also be professional development opportunities of which the department head can take advantage.

If an improvement plan is implemented, a re-assessment process will take place during the fourth or fifth semester of the department head's three (3) year term. An overall rating of Needs Improvement at the conclusion of a re-assessment process shall be considered as equivalent to an Unsatisfactory.
- 12.2.11 An overall assessment of Unsatisfactory by the Department Head Assessment Committee may result in the department head being removed from the assignment. A written narrative justifying a rating of Unsatisfactory must be prepared by the committee chair and attached to the final assessment. A department head whose overall assessment is an Unsatisfactory rating, will not be permitted to be reconsidered for election/appointment to department head for at least one (1) full three (3) year term after being removed.
- 12.2.12 A department head who disagrees with the Department Head Assessment Committee's decision will have the ability to meet with the Vice President of Human Resources or their designee to address the disagreement. The department head's response will be considered before a final decision to remove is made. If a department head is removed from the assignment due to an Unsatisfactory rating, the dean, in consultation with the

rest of the Committee, shall appoint an Interim department head until such time as an election can be conducted.

- 12.2.13 The parties recognize that it is critical that department heads be given the opportunity to be successful in the assignment by being provided with training and professional development. To that end, the parties agree that department heads will have a scheduled Department Head Academy as well as regular training sessions which will provide professional development opportunities for department heads. The parties agree that the curriculum for the Department Head Academy will change over time based on the needs of both the District and department heads for department heads to learn how to be most effective in that role.

12.3 Reassigned Time, Additional Duty Pay, and Stipends for Department Heads

- 12.3.1 Each department head shall receive a minimum of fifty-percent (50%) reassigned time in order to fulfill the position responsibilities outlined in the department head job description. In case of co-department chairs, the reassigned time will be split between the co-department chairs. Only an elected department chair shall receive reassigned time for completing department chair duties.

- 12.3.2 The following formula shall be used for determining the amount of reassigned time for department heads serving in academic and career technical education (CTE) programs qualifying for more than 50% reassigned time. The formula is based on three factors which include Full-time and Part-time Equivalent Faculty (FTEF), Weekly Student Contact Hours (WSCH), and classified employees who are permanently assigned in the department head's area. A point value has been assigned to each factor.

- One (1) point for each faculty full-time and part-time FTEF.
- One (1) point for each one thousand (1,000) WSCH.
- One (1) point for each classified employee permanently assigned in the department head's area.

The following formula shall be used for determining the amount of reassigned time for department heads serving the Library, Counseling, and Learning and Academic Resources Departments qualifying for more than 50% reassigned time:

- One (1) point for each faculty full-time and part-time FTEF.
- One (1) point for each one thousand (1,000) WSCH.
- One (1) point for each classified employee permanently assigned in the department head's area.
- One (1) point for each seven hundred (700) total full-time equivalent students (FTES).

- 12.3.3 The data for determining the factors in the formula shall be derived from the following sources: Faculty FTEF, WSCH, and the number of hourly-rate instructors shall be calculated every spring semester and shall come from the "Full-Time Equivalency Faculty Report" of the previous fall semester. Hourly rate instructors are temporary employees of the District paid on an hourly-rate basis. Long-term substitutes are included with contract faculty FTEF. In order to be counted as a long-term substitute, the person must be assigned for an entire semester or for a full year. Excluded from classification as hourly rate instructors are contract or tenured faculty with hourly assignments and hourly or daily substitutes. Total FTES will be determined by the most recent apportionment attendance report (recalc period).

12.3.4 A department head may appeal their designated percentage of reassigned time in circumstances where the reassigned time amount allocated under the formula is insufficient to meet the needs and responsibilities of the department/program. Such an appeal shall be presented in writing to the area vice president. The area vice president shall then convene an Appeals Committee comprised of three (3) individuals: the vice president or their designee, an administrator/dean selected by mutual agreement of the area vice president and LBCCFA, and one faculty member selected by LBCCFA. The determination of the Appeals Committee shall be communicated in writing to the department head submitting the appeal and state the reasons for the committee's finding. The determination of the Appeals Committee shall be final.

12.3.5 The reassigned time for a department head under formula shall be determined as follows:

Total Points	Percentage
0-54	50%
55-63	60%
64-72	70%
73 or more	80%

12.3.6 Stipends for department heads shall be determined as follows:

50%	\$7,341
60%	\$7,641
70%	\$7,941
80% or more	\$8,241

12.3.7 Additional duty pay is compensation for duties performed between semesters and during the time between the end of the spring semester and the beginning of the fall semester, or days worked beyond the contracted 177 days. Additional duty pay shall be paid as follows:

50% Reassigned Time	\$4,500
60% Reassigned Time	\$5,000
70% Reassigned Time	\$5,500
80% or more Reassigned Time	\$6,000

12.3.8 If more than one department head serves in a given department during the academic year, the amount of additional duty pay shall be divided proportionally between the department heads, based on length of service. Appointed department heads shall also qualify for additional pay.

12.3.9 RN and VN Reassigned Time is designated as follows:

RN: 90% RN Program Director/Department Head

VN: 60% VN Program Director/Department Head

12.3.10 If the department head elected in the department of Child Development is not from that department, the District and LBCCFA will meet to negotiate additional compensation for additional duties required in that department.

12.4 Department Head Election Procedure

Department heads shall be elected by the faculty members in their department/department cluster in an election conducted by the Academic Senate as directed by LBCCFA. Before each department head election is held, a list of candidates eligible to run for election in that department shall be compiled by LBCCFA and given to the Academic Senate. LBCCFA will oversee the election process to ensure compliance with the Master Agreement. In case a department seeks to have co-department heads, the appropriate dean must notify Academic Senate prior to the election. Inquiries concerning the department head election procedure or eligibility of candidates for department head shall be answered by LBCCFA. Deans may appoint an interim department head to be paid on a prorated basis to fill a vacancy until the department head position is filled through the election process. The appointed department head shall be a member of that department unless no one in the department is willing to serve. Department head appointments are voluntary on the part of the faculty member. A department head election shall be held whenever a new department is formed; a department head resigns, retires, dies, is dismissed, or is absent from office for a semester; or when a department head's term of office expires. These procedures for selection of department head will be followed:

12.4.1 The appropriate dean or designee shall call a meeting of the electorate of the department.

12.4.1.1 In order to be eligible to vote in a department head election, a faculty member must be assigned at least fifty percent (50%) of their load in that department in the semester in which the election is held. Faculty members who are not assigned at least fifty percent (50%) in the department during the semester in which the department head election is held shall be able to vote in that election if the average of that person's assignment during the three (3) semesters preceding the election is equal to or exceeds fifty percent (50%) in the department in which the election is being held and if faculty member is not assigned fifty percent (50%) or more in another department the semester the election is being held. If the faculty member is assigned fifty percent (50%) to each of two (2) departments, the faculty member shall choose to be a member of the electorate of one (1) of those departments. After a faculty member has chosen to become a member of the electorate of a department, the faculty member may not choose to become a member of the electorate of any other department until their percentages of assignment have changed. In case a department seeks to have co-department heads, this must be announced, discussed, and approved by a majority (50%+1) of the faculty at this meeting of the electorate of the department.

12.4.1.2 Each department head election shall include the votes of the incumbent department head and those department members absent or on leave of absence if available at the time of the election.

12.4.2 At the first part of the meeting, the appropriate dean or designee shall inform the department members of all aspects of the qualifications, duties, responsibilities, and remuneration of the department head position.

12.4.3 Any tenured faculty member is eligible to be a candidate for department head if the faculty member meets the criteria in this Section. In order for a department member to be eligible for candidacy, the faculty member must be assigned at least sixty percent (60%) to the department as determined by the area of assignment(s) on the faculty service load agreement. Eligibility to run for department head shall include reassigned time if that reassigned time replaces a course or courses whose area of assignment numbers enable eligibility. This will be determined by the potential candidate's faculty service load agreement for the semester of their first election. If a faculty member is on sabbatical or

other leave of absence during the semester in which the department head election is held, the faculty member must have been assigned at least sixty percent (60%) in the department during the last semester before their sabbatical to be eligible for candidacy. Should no one who meets these standards be available to run for office, a department member with a lesser percentage and/or a probationary department member, if mutually agreed to by the Vice President, Academic Affairs, area dean and the electorate of the department, would be eligible. For those department head positions requiring special license by law, credential, or degree, only those people having those qualifications may be candidates.

- 12.4.4 In case of a tie, a runoff election shall be held. In case of a tie after a runoff election, the area dean shall cast the deciding vote.
- 12.4.5 Department heads are elected for a three (3) year term. The term of the incumbent department head ends with the last day of the semester in which the election is held. The term of the new department head begins with the next day the District offices are open after the conclusion of that semester.
- 12.4.6 The name(s) of the elected candidate(s) shall be forwarded through proper channels to the Board of Trustees. If approved by the Board of Trustees, the newly elected department head(s) shall serve a term of three (3) years beginning with the semester in which the election is effective.
- 12.4.7 Department head elections are not to be conducted during the summer and/or winter intersessions.
- 12.4.8 If there are no candidates for a department head position, the appropriate dean, in consultation with the appropriate vice president, shall appoint a department head to serve for one (1) year.
- 12.4.9 All department head appointments shall be voluntary on the part of the faculty member.
- 12.4.10 Recall Procedures

12.4.10.1 Standard Recall Procedure

12.4.10.1.1 Department head recall requests may be initiated by the majority of the electorate of the department and shall be submitted to the area dean.

12.4.10.1.2 Recall requests may be initiated by the area dean and shall be submitted to the appropriate vice president with copies to the department head and electorate of the department.

12.4.10.1.3 In the event of a recall request, a secret ballot recall election shall be held by LBCCFA within thirty (30) working days. Should the department head be recalled by a majority vote of the department electorate, a new election shall be held immediately in accordance with the election procedures enumerated in Sections 12.4 and 12.5 of this Article.

12.4.10.2 Interventional Recall Procedure

12.4.10.2.1 Upon adherence of a due process procedure, as outlined below, a department head can be removed in limited circumstances. These are limited to circumstances with documentation of consistent behavior detrimental to their faculty, department and/or programs and/or LBCC students; or behavior in violation of state law, federal law, District policy/regulations, or the Master Agreement between the District and LBCCFA.

12.4.10.2.2 The area vice president (in conjunction with the Office of Human Resources) has the ability to initiate the intervention/removal procedure. Once initiated, the following procedure shall be followed:

- a) Warning: The area dean meets with the department head (and LBCCFA representative if one is requested) in a formal meeting to describe their concern(s) as well as to delineate clear expectations. The area dean will then prepare a meeting summary for the department head.
- b) Notice: Should a new or similar concern arise, the area dean and area vice president will meet with the department head (and LBCCFA representative if one is requested) to put the department head on written notice as to the concern(s), delineate clear expectations, and place the department head on notice that any future issues may result in immediate removal from the position of department head.
- c) Removal: Should a new or similar concern arise, the area vice president may exercise the right to remove the department head from the assignment. If a department head is removed by the area vice president, a new election shall take place as soon as practicable. If needed, the area dean may select an interim department head to serve out the current term until an election can be held.

12.4.11 Continuance of Service - In order to retain the department head position, a department head must be assigned no less than sixty percent (60%) of a full-time load in the department each academic semester.

12.4.12 Program Directors - The department heads of the Nursing Departments (RN and VN) shall also serve as program directors in accordance with external licensing requirements. These individuals shall receive the reassigned time due them as program directors in addition to the reassigned time due them as department heads. Any other amount of reassigned time for this position must be mutually agreed to by LBCCFA and the District.

Other department head/program director positions may be combined, as described in this paragraph, by mutual agreement between LBCCFA and the District. The total combined stipend for RN and VN program directors and department heads (as designated in Section 12.3.7) shall be compensated in accordance with the reassigned time amounts as designated in Section 12.3.3 of this Article.

12.5 On-Campus Hours

Department heads shall perform scheduled on-campus hours per week during the fall and spring semesters. During that time, the department heads shall make themselves available to students, departmental colleagues and college administrators. Each department head shall recommend a schedule for on-campus hours to be approved by the area dean. On-campus hours shall be dispersed over a minimum of three (3) days and take place Monday-Friday. The approved on-campus hours shall be posted on the office door of each department head. On-campus hours shall be structured as follows:

Reassigned time	# Required Hours On Campus
50%	12 hours
60%	14 hours
70%	16 hours
80%	18 hours

12.6 Department Head Clerical Support

Each department head will have access to clerical support in the fulfillment of their department head duties.

The District and the faculty member shall each contribute to the applicable retirement fund the amount that would have been contributed by each had the faculty member been employed on a full-time basis. The District will provide all health benefits (including life insurance) to the faculty member during this time as if the faculty member were on a full-time assignment. Modification to this program created by legislation or regulation of the applicable retirement system shall supersede the provisions of this Agreement.
- 13.3** Faculty members hired prior to February 1, 1995, who retire from District service, shall designate one of the following retiree medical benefits options at the time the faculty member's retirement forms are submitted to the District:

13.7 Medicare Eligible Retiree Medical Plan Options

13.7.1 A Medicare eligible employee who retires on or after July 1, 2014 will be required to enroll in a medical plan offered specific to Medicare eligible employees. Exceptions to this provision apply to those retirees who are 65 years of age or older, but whose spouse or dependent children are not eligible for Medicare Parts A and B.

13.7.2 Employees who retired prior to July 1, 2014 who are enrolled in Medicare Parts A and B will be given the option to remain in their current medical plan or they may enroll in another plan offered by the District specific to Medicare eligible employees.

13.10 When a faculty member dies either before or after retirement, if the surviving spouse/domestic partner is not covered under the provisions of Article 6.7, the District shall allow the surviving spouse/domestic partner to participate in the District health insurance plan by paying the faculty member's premiums. This provision is subject to change upon written notice from the group insurance carrier.

13.11 Retirees, if they so desire, shall be guaranteed a forty percent (40%) load at an hourly rate each semester for two (2) years following retirement. Due to the implementation of AB340 (effective January 1, 2013), such employment shall begin no sooner than one-hundred eighty (180) days following the last day of paid service. This guarantee includes assignment to those courses only or to the area of specialization only to which the retiree would have been assigned if the faculty member had retained full-time status. This guarantee of assignment is not a guarantee of work.

13.11.1 The District will interpret and apply Section 13.11 of this Article, payment "at an hourly rate," to be in accordance with Schedule 5 (Temporary Faculty).

13.11.2 In so doing, the parties acknowledge that teaching responsibilities as an hourly instructor shall include student advisement consistent with adjunct faculty members.

- 14.6** The parties agree that there may be a summer and/or winter intersession as determined by the District. Prior to this determination, the District will consult with LBCCFA and the Academic Senate. This is not an obligation to negotiate and the District's right to determine whether to offer an intersession is not limited by its obligation to "consult" with the Academic Senate and LBCCFA.

FACULTY SERVICE AREAS, ASSIGNMENT, AND REDUCTIONS IN FORCE

15.1 Faculty Service Areas

15.1.1 Pursuant to the provisions of Education Code §87743.3, there shall be one faculty service area to be known as the Long Beach Community College Faculty Service Area.

15.1.2 Faculty means those full-time probationary or tenured employees who are employed in positions that are not designated as supervisory or management for the purposes of §3540-3549 of the Government Code and for which minimum qualifications for hire have been specified in the regulations of the Board of Governors adopted pursuant to subdivision (a) of 87356 of the Education Code. Faculty include, but are not limited to, instructors, librarians, counselors, instructional specialists, nurses, disabled student programs and service professionals, extended opportunity programs and services professionals, and individuals employed to perform a service that, before July 1, 1990, required non-supervisory, non-management, certification qualifications.

15.1.3 Competency Standards

All faculty who meet the requirements of Section 15.1.3.1 and any one of the conditions listed under Section 15.1.3.2 of this Article shall be considered competent in a specific discipline.

15.1.3.1 Meet the minimum qualifications as adopted by the Board of Governors and as described in AB1725 and SB1590. Equivalency granted at the time of initial employment in the District shall meet the minimum qualifications for the faculty member in the discipline for which it was granted.

15.1.3.2 Any one of the following:

15.1.3.2.1 Possess a valid credential authorizing service in the discipline through either a major or minor; or

15.1.3.2.2 Previous approval by the Board of Trustees to teach a discipline in which the Board of Trustees has deemed the faculty member to have either a major or minor; or

15.1.3.2.3 Prior college teaching experience in a course that is identical to, or that shares most of the major elements with, any course taught in the discipline in the Long Beach Community College District; or

15.1.3.2.4 Possess a Bachelor's degree or higher showing a major or minor in the discipline; or

15.1.3.2.5 Possess the equivalent of a minor, which shall be a minimum of twenty-four (24) semester units in the discipline with a minimum of twelve (12) upper division or graduate level units; or

15.1.3.2.6 For disciplines in which a Master's degree is not available or generally expected, possess a degree plus appropriate experience

plus any required certificate or license as specified in the Board of Governor's Discipline list for the discipline or the equivalent.

- 15.1.4 For purposes of determining competency under Section 15.1.3, a Course Equivalency Committee shall be formed when proof of previous college teaching experience in a discipline has been provided to the District. The Course Equivalency Committee shall determine whether this experience is identical to, or shares most of the major elements with, a course taught in the discipline at Long Beach City College. The Committee shall consist of five (5) members: two (2) faculty members from the department that includes the discipline in question, one (1) faculty member from the counseling department, one (1) administrator from the appropriate area appointed by the appropriate vice president, and one (1) faculty member from the Academic Senate Committee on Equivalency. Recommendations to the appropriate vice president reached by this Committee shall be in writing and include justification for the decision.
- 15.1.5 The District shall maintain a permanent record of each discipline for which a faculty member possesses the minimum qualifications and is competent as defined in Section 15.1.3 of this Article. This record shall be maintained as a part of the faculty member's personnel file.
 - 15.1.5.1 A faculty member may add any discipline for which they meet the minimum qualifications and competency standards under Section 15.1.3. The application for such qualification will be provided by the Human Resources Department, with date of receipt indicated on a copy given the employee at the time of submission.
 - 15.1.5.2 The District shall process all applications for the addition of a discipline within thirty (30) working days of their receipt and acknowledge, in writing, entry of qualification in the employee's personnel file.
 - 15.1.5.3 The District shall advise applicants whose request for additional disciplines has been denied of the reasons for denial. The faculty member shall then have the right to initiate a grievance at Level II if not satisfied with the explanation.
- 15.1.6 The District will provide one copy per year of the master list of the disciplines for which each faculty member is qualified and competent under the provisions of Section 15.1.3 to LBCCFA and one copy per year to the Academic Senate. The list will be available at any time for inspection by faculty members. In the event of a layoff or reduction in force, the District shall provide LBCCFA with a printed list of all the disciplines for which each faculty member is qualified.

15.2 Assignment

- 15.2.1 Faculty members hired after June 30, 1990, shall be assigned only to those disciplines for which they meet the minimum qualifications as adopted by the Board of Governors or the equivalency standards as established through joint agreement between the Academic Senate and representatives of the Board of Trustees, and approved by the Board of Trustees.
- 15.2.2 Notwithstanding §87356 of the Education Code, every person authorized to serve as a community college instructor, librarian, counselor, or student personnel worker under a credential issued by the State of California shall retain the right to serve under the terms of that credential, and for that purpose, shall be deemed to possess the minimum

qualifications specified for every discipline or service covered by the credential until the expiration of that credential.

- 15.2.3 All faculty employed under the terms of this Agreement on June 30, 1990, shall be deemed competent in those disciplines to which they were assigned as of that date. Faculty are deemed to be employed under the terms of this agreement if they performed services under the terms of the agreement at any time during the 1989-90 fiscal year. If on an approved leave of absence during 1989-90, service performed in the year prior to the leave of absence shall satisfy this provision.

15.3 Layoffs and Reductions in Force

Rights of terminated employees shall be as described in §87743 and §87744 of the Education Code.

- 15.3.1 No tenured or probationary faculty member shall be deprived of their position for causes other than those specified in the Education Code.
- 15.3.2 The services of no tenured employee may be terminated under this section while any probationary employee, or any other employee with less seniority, is retained to render a service in a faculty service area in which the records of the District maintained pursuant to §87743.4 reflect that the tenured employee possesses the minimum qualifications prescribed by the Board of Governors and is competent to serve under district competency criteria.
- 15.3.3 Notice of the termination of services either for a reduction in attendance or reduction or discontinuance of a particular kind of service shall be given before the 15th of May in the manner prescribed in §87740 for terminations of service that will take effect not later than the beginning of the following school year; services of the employees shall be terminated in the inverse of the order in which they were employed, as determined by the Board of Trustees in accordance with §87413 and §87414. In the event that a tenured or probationary employee is not given the notices and a right to a hearing as provided for in §87740, they shall be deemed reemployed for the ensuing school year.
- 15.3.4 The Board of Trustees shall make assignments and reassignments in such a manner that employees shall be retained to render any service which their seniority and qualifications entitle them to render.
- 15.3.5 Any tenured employee whose services have been terminated as provided in the sections above shall have the following rights:
- 15.3.5.1 For the period of thirty-nine (39) months from the date of such termination, any employee who in the meantime has not attained the age of seventy (70) years shall have the preferred right to reappointment in the order of original employment as determined by the Board of Trustees in accordance with the provisions of §87405 to §87424, inclusive, if the number of employees is increased or the discontinued service is reestablished, with no requirements for additional qualifications that were not imposed upon other employees who continued in service. However, no probationary or other employee with less seniority shall be employed to render a service in a faculty service area in which the records of the District maintained pursuant to §87743.5 reflect that the employee is qualified for service under §87355, §87356, or §87359, and is competent to serve under District competency standards.

- 15.3.5.2 The aforesaid right to reappointment may be waived by the employee, without prejudice, for not more than one school year, unless the Board of Trustees extends this right, but such waiver shall not deprive the employee of their right to subsequent offers of reappointment.

15.4 Change in Term Discipline

Sections of this Article which address layoff and reductions in force shall not be changed by virtue of regulations adopted by the Board of Governors or by changes in the Education Code to clarify AB1725 regarding a working definition of the term “discipline” as it relates to minimum qualifications and competencies without LBCCFA or the District having first had the opportunity to bargain the effects of such changes.

ARTICLE 16

REOPENERS

- 16.1** The parties agree to a three-year term (July 1, 2020 – June 30, 2023).
- 16.2** There may be one (1) fiscal and 2 (two) non-fiscal reopeners per party in each of the remaining years of the contract (2021-2022 and 2022-2023).

ARTICLE 17

CONTINUATION OF POLICIES AND PROCEDURES

- 17.1** Except as otherwise provided in this Agreement, the terms and provisions of the current District Policy Manual, administrative regulations relevant to scope issues, and the Salary Narrative as it pertains to faculty members shall remain in effect during the term of this contract but may be negotiated by mutual agreement with LBCCFA.
- 17.2** In those instances where past departmental or institutional practices or procedures are in conflict with this Contract, this Contract shall prevail.
- 17.3** Unless otherwise provided in this Agreement, nothing contained herein shall eliminate or reduce any established departmental practices or procedures existing prior to the contract effective date. In the event a problem arises involving any previously established departmental practice or procedure not contained in this Agreement, the issue shall be resolved by the Contract Administration Committee, if possible, or deferred until the next negotiations.

ARTICLE 18

SCOPE AND WAIVER CLAUSE

This Agreement shall constitute the full and complete commitment between both parties and shall supersede and cancel all previous Agreements, both written and oral. This Agreement may be altered only through the voluntary, mutual consent of the parties in a written and signed amendment to this Agreement.

ARTICLE 19

CONTRACT ADMINISTRATION

- 19.1** This article establishes a Contract Administration Committee for the purpose of administering this Agreement composed of the Vice President, Human Resources or designee, the District Chief Negotiator, the LBCCFA President, and the LBCCFA Chief Negotiator. The titles used relate to those individuals who by designation of the District or LBCCFA are fulfilling all the normal duties of their respective positions. Advisors may be called as required but are excluded from voting and deliberation. The committee will meet on an as-needed basis by request of either the District or LBCCFA. Action minutes will be kept as a record of each meeting. Applicable decisions reached by this group will be recorded and distributed by the parties to the District and LBCCFA. The committee's decisions shall be binding as though part of this Agreement. All decisions shall be by unanimous vote. In the absence of one of the committee members, any decisions shall be held in abeyance until the full committee is able to meet.
- 19.2** Neither the District nor LBCCFA waive any rights included in other articles by participation in this procedure.

ARTICLE 20**ADMINISTRATIVE REVIEW PROCESS – TENURED FACULTY**

- 20.1** An administrative review may be initiated and conducted by the appropriate dean when concerns arise over a tenured faculty member's performance with respect to the professional standards in Article 9.3. Prior to conducting an administrative review, the administrator and the faculty member shall meet at a time and date when both are available in an informal conference and discuss the administrator's concerns. Throughout the administrative review process, including the informal conference, whenever meetings are scheduled between the faculty member and the administrator, the faculty member may utilize the assistance of a LBCCFA representative to facilitate these meetings. The dean may have another administrator present at the meetings if they so desire. At the first meeting, the dean will provide the faculty member a copy of these procedures (Article 20).
- 20.2** If the informal conference with the faculty member does not resolve the dean's concerns, within fifteen (15) working days the dean will inform the faculty member in writing or by email of the specific item(s) in Article 9.1 that will be the basis for the administrative review. If such notice is given, the faculty member shall meet with the dean at a time when both are available within fifteen (15) working days.
- 20.3** At this meeting the dean and the faculty member shall discuss the process by which the administrative review will be carried out. This process will include a schedule of periodic progress meetings between the faculty member and the dean. Action minutes of this and all subsequent meetings will be prepared by the parties. The initial administrative review shall be conducted in a timely manner, within thirty (30) to sixty (60) working days and during the regular academic year (excluding summer and/or winter intersession).
- 20.4** Following this initial administrative review, a meeting shall be held at a date and time when the parties are available to discuss the dean's conclusions and a decision will be made by the dean as to whether a plan for improvement is required. If a plan for improvement is required, the plan will have identifiable objectives and include timelines when each objective is to be achieved. The length of the improvement plan shall be no less than a semester nor more than two (2) semesters. The improvement plan will be discussed between the parties before it is finalized.
- 20.5** At the end of the period of the improvement plan, another meeting shall be held between the dean and the faculty member in order to determine whether the objectives of the improvement plan have been met.
- 20.6** If the dean concludes adequate improvement has not been achieved, the documentation prepared through the administrative review process may be placed in the faculty member's personnel file. The faculty member shall be provided a copy and the opportunity to respond to the documents within ten (10) working days. The faculty member's response shall be placed in the faculty member's personnel file. All documentation regarding the administrative review process (including the faculty member's response) shall, upon the faculty member's request, be sealed after three (3) years if no further action is taken.

APPENDIX D

DISTRICT GUIDELINES FOR INVESTIGATING COMPLAINTS THAT COULD LEAD TO FORMAL DISCIPLINARY ACTION AGAINST ACADEMIC EMPLOYEES

Faculty members may, on occasion, be subject to situations that, if not resolved, may result in some form of a complaint, (a formal or informal complaint communicated to department head, supervisor, manager or administrator either orally or in writing) by members of the college community. The college community is defined as individual faculty members, classified employees, or students. While individuals have the right to bring forth complaints, faculty have the right to expect that complaints shall be handled fairly and this procedure will ensure they have the ability to respond to any complaints alleged against them.

While the parties acknowledge that a procedure for processing complaints is worthwhile, the parties recognize that this procedure is not intended to prevent individuals from exercising their rights under the law. Thus, this procedure is separate from the faculty evaluation procedure, any disciplinary action initiated by the District in accordance with the Master Agreement, or allegations involving violations of state or federal law or District policy. In addition, anything filed which qualifies as a grievance per the grievance procedure will be processed as a grievance, not in accordance with this procedure.

The parties agree that the following procedures will be used whenever a significant complaint is alleged against a faculty member:

- A. The complaint or allegation shall be forwarded (by whoever receives the complaint) to the employee's department head or dean as appropriate. Should a conflict of interest arise with the dean or department head that would prohibit them from being involved in the complaint process, Human Resources in consultation with the appropriate Vice President will select an alternate administrator or department head to oversee the process.
- B. Whoever is responsible for reviewing the complaint will, as soon as possible (but in no case more than thirty (30) days as defined in Article 4.3 of this Master Agreement, take all reasonable steps to initiate the investigation of the complaint. This may include, but is not limited to, contacting (and perhaps meeting with if necessary) the complainant, the faculty member, and other witnesses. If for any reason the 30 day timeframe cannot be met, the responsible party shall notify the involved faculty member and LBCCFA, in writing, of the reason for the delay.
- C. Whoever is responsible for reviewing the complaint will notify the faculty member of the complaint(s) brought against them. As appropriate or necessary, the complainant shall be disclosed to the faculty member at an appropriate time in the investigatory process. If the complainant is anonymous, there is no obligation to investigate the complaint.
- D. If requested by the faculty member who is the subject of the complaint and agreed to by the complainant, the District shall arrange a meeting between the faculty member, the complainant and the department head or dean, in an effort to solve the problem. The faculty member may be represented by the Association if they so desire. Should the complaint or allegation involve two (2) or more employees in the same bargaining unit, Association representation will be provided to each employee separately, but in no case shall the Association be representing one member's interests against the other, as its sole involvement is to assist in facilitation and resolution of any issue between the parties. It is clearly understood that the Association cannot and will not represent one unit member against another.
- E. The District shall make a fair and reasonable effort to verify the accuracy of any written complaint or allegation. Any complaint found to be without merit shall not be acted upon by the District. Any

action taken by the District against an employee on the basis of such a complaint shall not be arbitrary or capricious, and shall be guided by the principles of due process and progressive discipline as appropriate to each circumstance.

Neither the faculty member nor the complainant or their representatives shall engage in any retaliation or intimidation toward each other or the witnesses. In the event that a faculty member makes repeated, unmerited and/or frivolous complaints against another faculty member(s) that are found by the District to have no merit, the complaining faculty member may be subjected to the disciplinary process and/or a fitness for duty medical or psychological examination.

HIRED PRIOR TO DECEMBER 31, 2014**

The District and CCA agree that the new salary schedule approved by the Board of Trustees on December 10, 2014 will require a specific roll out between the years of 2015 to 2021 in order to ensure that new faculty (hired after December 31, 2014) will not be paid more than current faculty who have accrued equal experience. Therefore, the following chart is a graphic depiction of what the District and CCA has agreed to implement in years 2015 through 2021:
