SCAN ME

MANA is an Oceania word and belief within Melanesia, Micronesia, and Polynesia, describing a powerful, miraculous force and energy.

MANA is a community dedicated to building cultural and educational experiences for Asian Pacific Islander Desi students. MANA's goal is to help enhance students' experiences and make connections between courses, instructors, and their classmates through learning communities, social events, conferences, college tours and student support programming. Bringing in relevant voices, stories, and community experiences, MANA provides support ensure you reach your educational goal. The MANA community helps ground students to build a strong foundation within their own communities to reach academic success.
