Didi Hirsch Presents: Suicide Prevention

Join us for an afternoon of empowerment and awareness. As suicide continues to affect our communities, reducing the shame and stigma surrounding mental health has become a necessity. Through conversation and engagement, this training will provide a better understanding of potential suicide risk factors, as well as resources and examples of how we can make a difference and support those around us who may be struggling.

Join us LIVE on August 6th, 2020 from 11AM till 1PM
