2019 OUTSTANDING COLLEAGUE NOMINATION

Do you know someone in your department or on campus who is always going above and beyond? Is there someone who is always stepping up in your area? Who do you run to whenever you have a question or need something done? How about someone who has made outstanding progress on a campus initiative or project?

If so, please nominate that person for this year's **Outstanding Colleague** award!

Nominate a faculty member (full or part-time), staff member,
or a confidential/manager/administrator (students are not eligible).
Just tell us who you're nominating and why!

Please describe your nominee's contributions as they relate to his/her position at the college. Why is your nominee so deserving of this award?

The selection committee will review your nomination using the following criteria:

- Generosity in sharing time or talent for the benefit of students, colleagues, or the college in general
- The person has gone above-and-beyond and has made outstanding contributions to the LBCC Community.

Please include any additional qualities that you feel set this colleague apart and demonstrate his/her outstanding accomplishments. Each nomination form must be signed by the nominator (That's you!). You may not nominate more than one person in each employment category (faculty, classified, manager/administrator).

Self-nominations will not be accepted/considered.
