

**A message from Interim
Superintendent - President
Dr. Mike Muñoz**

I am thrilled to invite you to participate in the President's Circle program for the 2021-2022 Academic Year. As Long Beach City College approaches its 100th anniversary in 2027, the Foundation is actively engaging in Funding Our Future, a comprehensive campaign to raise \$20 million for student-facing programs and scholarships.

Your support helps fund important campus functions like College Day, State of the College, and Commencement, as well as needed student-facing initiatives.

By joining the President's Circle this year, or by pledging to be a part of the Circle for multiple years, you are participating in this mission-critical campaign and helping to support the next 100 years of Viking excellence.

To join the LBCC
Foundation's President's Circle,
make your contribution online at:
