

Greetings!

We would like to invite you to become an industry partner with the Long Beach College Promise 2.0. Promise 2.0's community partnership program is a groundbreaking initiative that links employers to students trained to fill needs in high-demand jobs.

**What are the benefits of becoming a Promise 2.0 industry partner?**

- Long Beach City College (LBCC) offers an incredibly diverse student population, with students from a number of cultures and backgrounds: <https://www.lbcc.edu/sites/main/files/file-attachments/college-facts.pdf>
- Community support for Promise 2.0 is tremendous, gaining support from the mayor and City of Long Beach, California State University, Long Beach, the Port of Long Beach Harbor Commission and Executive Leadership, Long Beach Unified School District, along with a fully dedicated team from LBCC: <https://www.youtube.com/watch?v=XtuQs7FxyzQ>
- LBCC offers majors that provide students with the training to make an immediate impact including [Logistics](#), [Cybersecurity](#), [Engineering](#), [Advanced Transportation Technology](#) and many more.
- Promise 2.0 leads the way in national community partnership programs, championed by both national and state-wide initiatives: <https://www.psychologytoday.com/us/blog/the-media-psychology-effect/201812/the-college-promise-goes-20>

Now is an excellent time to become a part of this groundbreaking initiative. Promise 2.0 corporate/industry partners will lead the way in providing access to internships, scholarships, and career opportunities for the next generation of innovators.

Attached please find an interest form to indicate your commitment. We are ecstatic about the opportunity to work with you. For questions about Promise 2.0, please feel welcome to contact Marcia Parker, LBCC Director of Community Relations and Enrollment Development, at [mparker@lbcc.edu](mailto:mparker@lbcc.edu).

Best Regards,

Sunny Zia  
President, LBCC Board of Trustees

Reagan Ferragamo Romali, Ph.D.  
Superintendent-President, LBCC

## YES! I'M INTERESTED IN BEING A PARTNER...

I am interested in learning more about how I can partner to further the education of Long Beach City College students and support the Long Beach (LB) College Promise 2.0. Please contact me with further information regarding:

### Career Opportunities

This involves supporting the employment of LBCC students, including advertising job openings, job fairs, or a number of different options.

### Internships

Internships provide students hands-on experience which further their knowledge and help them prepare for a career.

### Scholarships

Scholarships provide support for students enrolled in the LB College Promise 2.0 by defraying the cost of education for these outstanding students.

I want to be a Long Beach College Promise 2.0 Corporate Partner. Please provide me additional information on how I can help support the student's success at Long Beach City College.
