These forms are available in the Admissions and Records office, or online at <http://admissions.lbcc.edu/> . Refer to the Schedule of Classes (<http://schedule.lbcc.edu/>) and click the "Important Dates" link to view the actual deadline for each semester.

## Program Mission and Outcomes

Sociology is the scientific study of societies, institutions and social dynamics.

Sociology explains processes and problems occurring in social stratification, social class, culture, social mobility, religion, secularization, law, and deviance

Sociology coursework at Long Beach City College introduces students to modern social problems, sociology of race and ethnicity, the social experience of Latinos, and issues of marriage and family life.

Program Student Learning Outcomes:

- Demonstrate the ability to attain the Institutional Student Learning Outcomes (ISLOs).
- Apply sociology imagination and sociological theories to contemporary analysis of public issues.
- Identify and evaluate sociological scientific research, including research design, research methods, data analysis and interpretation.
