

GETTING THE PASS

1. Who is eligible for a free Long Beach Transit bus pass?

All full-time students who are in good academic standing. Full time is defined as 12 units or more. Good academic standing is defined as having a cumulative G.P.A. (grade point average) of 2.0 or better AND 50% completion of all units attempted.

2. How do I get my bus pass?

You will receive an e-mail to let you know that you are eligible to receive a free Long Beach Transit bus pass. When you receive the e-mail, please click on the link to read the agreement. Click “Yes” to accept the terms and conditions. Once you click “Yes,” you will receive submission confirmation. You will also be asked if you already have an LBCC Student ID card. The Cashier’s office will review your request and mail you a bus pass. If you already have an LBCC Student ID, you will receive a sticker to place on the ID. If you do not have an LBCC Student ID, you will receive a TAP card.

*Some students who received a pass in academic year 2019-20 and are eligible in fall 2020 will receive an e-mail to let them know that their TAP sticker will be **reactivated** for the fall 2020 semester: August 31-December 19, 2020.*

3. When does my pass expire? Do I need to pick up a new pass every month?

The bus pass is valid the entirety of the fall 2020 semester, from August 31-December 19, 2020.

4. I received the e-mail in September 2020 letting me know that I am eligible for a free pass, but never responded. Now that it’s later in the semester, can I still get a free pass?

Yes, you may get a free pass until the end of the Fall 2020 semester as long as supplies last. Passes are issued on a first-come first serve basis and quantities are limited.

5. What do I do if I lose my pass?

Please contact the Cashier’s office via e-mail at cashier_office@lbcc.edu.

6. What do I do if my pass doesn’t work when I tap it on the bus?

Please email basicneeds@lbcc.edu. Please note that passes that are not used within 25 days of issue will need to be reactivated.

7. Who do I call if I have questions about my pass?

Please call the Welcome Center at (562) 938-4049.

8. Will the free Viking Shuttle still run between LAC and PCC?

No, the Viking Shuttle is not running in fall 2020 due to the campus closure.

9. Why is LBCC providing free passes to eligible students?

LBCC is committed to student success, and we recognize that sometimes getting to class is a barrier, particularly for students who may face other challenges. LBCC also is invested in efforts to improve sustainability and is proud to support ridership on Long Beach Transit’s fleet of low emissions, alternative-fuel vehicles. The pilot program launched in fall 2019 and was extended in spring 2020, summer 2020, and fall 2020.

USING THE PASS

10. Where and when can I ride Long Beach Transit using the pass?

The pass is valid anytime Long Beach Transit is in operation and on any regularly scheduled bus route.

11. Can I use the pass on Metro trains, the Aqualink, water taxis, or other regional transportation services?

The pass is not valid on Metro trains, Long Beach Transit-operated Aqualink or water taxis, or other regional transportation services.

12. Can I add funds onto my free pass to use on other TAP services like the Metro?

Yes, you can add funds onto your free pass to use for other TAP services.

13. Which bus routes stop by LAC and PCC?

Please check www.ridelbt.com for the most current information on schedules. ZAP-176 is part of Long Beach Transit’s regular service and runs between Technology Park/Villages at Cabrillo via Pacific Coast Highway, linking the Liberal Arts Campus and Pacific Coast Campus as well as the Long Beach Airport and the Metro Blue Line. Route 176 is a “ZAP” service that has fewer stops, resulting in faster travel times.

Other Long Beach Transit routes with stops near LAC are 93, 101, 103, and 112. Routes with stops near PCC are 71, 72, 171, 172, 173, and 174.

14. How can I find out about all Long Beach Transit bus routes and schedules?

Visit www.ridelbt.com or download the Long Beach Transit app from the App Store or Google Play by searching for “LBT.”

15. I’ve never ridden the bus before. How do I do it?

Once you have found the route that will take you where you want to go and the time that the next bus arrives on ridelbt.com, the LBT app, or a mapping app such as Google maps, wait at the nearest bus stop. Signs on the top front of the bus above the windshield tell you the number, the major streets the bus runs on, and the final destination of the bus. Read these signs to be sure you board the right bus. If you’re not sure, just ask the driver.

When you see your bus approach, please stand near the bus stop sign. This lets your driver know you want to catch the bus. It’s a good idea to make note of the vehicle number of the bus – it’s the painted number on the outside and inside. That number may come in handy if you need to report something about your trip.

Enter the bus through the designated door. At this time, Long Beach Transit is directing riders to rear doors. Please be sure to have your student ID card with the TAP sticker or TAP card with you as you board. After you TAP your pass, hold onto the handrails as you find a seat, as the bus may begin to move before you sit down. If you are a senior or disabled and need extra time or assistance when boarding the bus, be sure to let the driver know.

As the bus approaches your stop, signal the driver that you want off by pressing the black or yellow strips along the side of the bus next to the window. Please give drivers enough notice so that they may make smooth stops.

When getting off the bus, please exit through the rear door. Just push the yellow strip on the door and the doors will open. Carefully step off the bus onto the sidewalk.

In accordance with Title VI of the 1964 Civil Rights Act, Long Beach Transit is committed to ensuring that no person shall be excluded from the equal distribution of its services and amenities on the basis of race, color, national origin, language proficiency, or economic status.

16. Can I ride my bike and take it on the bus?

Yes! Below are instructions for loading and unloading your bike on a bus.

LOADING

1. Prepare your bike for loading. Remove water bottles, pumps, and other loose items that could fall off while the bus is in motion.
2. Inform the bus driver that you will be loading your bike. You must load your bike from the curb side, in front of the bus. CAUTION: Do not step into oncoming traffic to load your bike!
3. Squeeze rack handle up to release latch, then fold the bike rack down. Use one hand to unlatch and pull the bike rack down, so you can hold your bike with your other hand. It is not necessary to lean your bike against the bus.
4. Lift your bike onto the bike rack, fitting wheels into proper wheel slots. Please use first available slot closest to window. Each wheel slot is clearly labeled for the front wheel. NOTE: The rack operates properly even if a bicycle is loaded in the wrong direction. The purpose of the directional placement is to make the bike nearest the bus easier to unload.
5. The support arm holds the bicycle safely in place when the bus is in motion. Pull the “spring-loaded” support arm forward, over the front tire. Then, raise the arm so the hook rests at the top of the front wheel.

UNLOADING

1. Inform the bus driver you will be unloading your bike as you approach your stop. Use the front door to exit the bus. Unload your bike from in front of the bus or from the curb. CAUTION: Do not step into oncoming traffic to unload your bike!
2. Raise the support arm off the tire. The spring-loaded support arm automatically folds down to a secure position.
3. Lift your bike out of the Bike Rack.
4. If there are no bikes on the rack and no one else is waiting to load their bike raise the Bike Rack up and it will lock in place, secure with the front mounting bar.
5. Move away from the bus to the curb after unloading your bike and carefully observe traffic before riding.
