FEATURED VIRTUAL EVENTS:

The Process: Job Search - April 1 at 1pm Register at <https://linktr.ee/lbfutureteacher>

Becoming a paraeducator, after-school care worker, and other positions allow you to spend time with young people and gain experiences at a school site. But where do you start? How do you get a job in education? This workshop will assist you as you decide on positions, look for a job online, set up a resume and cover letter, and prepare for interviews in the field of education. Join us, no matter your employment history, as we navigate the process! RSVP now!

The Process: CBEST - April 29 at 5pm Register at <https://linktr.ee/lbfutureteacher>

Do you know what the CBEST is? While future teachers may hear it mentioned, understanding the purpose and process can aid you in a painless assessment process. I mean, as painless as a test could be. Join us for this information session, breaking down what the test is, why it's important to you and what is covered. From there, you will build a study plan and learn of supports.

Teach to Live? Live to Teach! - May 20 at 1pm Register at <https://linktr.ee/lbfutureteacher>

What is your future looking like now? What will teaching look like in 2 years? 5 years? It's daunting to think about despite it always being on our minds. In this workshop, we will take a look at tools to help express purposeful goals that are in alignment with your true desires and hopes. Not just a degree or paycheck. We will look at the tenets of a life designed to be sustainable and joyful and see how this can be applied to you now as a future teacher and in the future as an educator.
