

# TEAS PREPARATION - CERTIFICATE OF COMPETENCY

---

**Plan Code: 6545**

The Test of Essential Academic Skills (TEAS) Preparation program prepares students with the essential skills for the TEAS. Students gain knowledge and skills in the four areas of the test: Reading, Math, Science, English and Language Usage. Students who reach competencies may advance to develop skills for the workplace and to prepare for future educational opportunities.

## Program Student Learning Outcomes

- Demonstrate understanding of the science, math, reading, and/or English-language skills required for the TEAS.
