

Child Development Centers

Long Beach City College's Child Development Center

has openings for the part-day State Preschool Program for children who will turn 3 or 4 years old by December 1, 2023.

LBCC's Child Development Center has award-winning staff to help your child grow!

- *Learn through play*
- *Emergent Literacy*
- *Early Childhood STEM*
- *Visual arts, music, dance and movement*
- *Inclusive environment for children*
- *Respect for diversity*

All are welcome to apply. State subsidies may be available for children and families receiving Cash Aid, Medi-Cal, Head Start, Early Head Start, CalFresh, and WIC. Income eligible families and children with an IEP may also receive priority enrollment and subsidies.

This Program is FREE!
